Re: Amendment to Water Billing City Lease Contract #2985

Dear Tom,

I want to thank you, Jeannie, and Mike again personally for meeting with our team on January 9, 2025 to discuss Cheyenne Frontier Days (CFD) water consumption and billing. As we discussed the Board of Public Utilities (BOPU) has big challenges ahead with water shortages due to possible Colorado River curtailment, conservation, and declining water sales revenue, as well as the expense to maintain a very sophisticated extensive raw water collection and potable distribution system. We understand the reasons behind the original 1992 Lease Agreement and the efforts to aid CFD with zero or reduced annual water fees, unfortunately the BOPU cannot sustain those commitments in our current water and financial climate.

We appreciate your understanding of our situation and the need to have CFD pay for all of their metered water consumption on CFD leased facilities. As we discussed on the 9th in our meeting, both parties agreed to the following payment schedule for metered water consumption moving forward:

1. Upon the 1992 Lease Agreement #2985 being amended and signed by all parties, CFD agrees to pay 50% of all metered water consumption on CFD leased facilities through December 31, 2025.
2. Beginning January 1, 2026 CFD agrees to pay for 100% of all metered water consumption on CFD leased facilities.

As we discussed at our meeting on the 9th, I would request you send a confirmation response letter to me at your earliest convenience approving the above payment schedule and we will begin the process to amend the 1992 Lease Agreement with help from the City of Cheyenne.

Thanks again for your willingness and cooperation to meet with us and agree to these future conditions for the payment of water consumption on CFD leased facilities. If you have any questions or concerns about this letter, please feel free to contact me at your convenience at 307-637-6464.

Sincerely Thanks Again,

Bradley A. Brooks, BOPU Director

8. ASSIGNMENT AND SUBLETTING: The Lessee shall not assign, transfer, mortgage, pledge or sublet its rights in this lease nor grant any concession hereunder, in whole or in part, without the prior written consent of the Lessor which shall not be unreasonably withheld. INDEMNITY: Lessee hereby agrees to defend, hold harmless, and indemnify the Lessor, its officials, employees and authorized volunteers against any and all claims arising during or resulting from the Lessee's performance of this contract, and shall carry contract liability insurance as set forth in Section 16 for all claims excepting those claims which are determined to be the sole negligence of the Lessor, its officials, employees and authorized volunteers.
