RE: Price Proposal for Request for Proposals-5-25: Landfill Compliance Monitoring Services for the City of Cheyenne Sanitary Landfill (Happy Jack Landfill), SHWD File #10.080, Cheyenne, Wyoming.

Dear Mr. Barttelbort:

Trihydro Corporation (Trihydro) appreciates the opportunity to submit a price proposal to continue providing professional compliance monitoring services to the City of Cheyenne (City) for the Happy Jack Landfill (Landfill) for 2025 through 2027, with a possible three-year extension. We prepared the proposal based on information in the Request for Proposals-5-25 (RFP) released January 22, 2025, the Question-and-Answer document published February 10, 2025, and our site-specific knowledge from 22 years of assisting the City with regulatory compliance at the Landfill. The proposed work will be completed in accordance with the Sanitary Landfill Environmental Monitoring Plan (SLEMP), last revised March 14, 2019. The Trihydro contact information is as follows:

Trihydro Corporation
1252 Commerce Drive
Laramie, WY 82070
Phone: (307)-745-7474
Primary Contact: Caroline Brewer, P.G.

Attachment A in this price proposal includes Exhibit B from the RFP and presents a general summary of costs by task as designated by the City. A more detailed breakdown of costs, activities, and assumptions is provided in Attachment B. Attachment C includes our 2025 Schedule of Charges, and Attachment D is the RFP *Attachment "B-1" – Use of Sub-Consultants*, which identifies Eurofins as a subcontractor under this project. As requested in RFP-5-25, Trihydro certifies that our price proposal, time, and materials not to exceed \$281,007 for the three-year contract period will remain valid for a period of at least one hundred and twenty (120) days. Note that, although years four through six are also included at a fixed price in Exhibit B – and assume an appropriate adjustment to account for inflation between each contract period – we ask that the City consider allowing Trihydro to re-evaluate costs in three years' time in the case that inflation is more than anticipated.

Mr. TJ Barttelbort

I, George Mathes III, P.E., declare that only Trihydro Corporation is interested in the contract as principals is named herein; that it is, in all respects, fair and in good faith without collusion or fraud; and that I have the authority to bind Trihydro Corporation.

Thank you for considering our price proposal along with our project qualifications and proposed scope of services. We believe we have prepared a project budget that can best conserve City dollars, while providing value and integrity of service.

Sincerely,
Trihydro Corporation
