Please explain your interest in serving on this Board/Committee/Commission

Dear Members of the Cheyenne Historic Preservation Board,

I hope this letter finds you well. My name is Kelly Sevier, and I am writing to express my interest in joining the Cheyenne Historic Preservation Board. As a long-time resident of Cheyenne, I have intentionally made my home and built a career near downtown Cheyenne. My husband and I bought a 1929 brick house near the Capitol, and we have spent the past 12 years renovating and improving our home which we love and now share with our two sons. During my time working and living in Cheyenne I've developed a deep love and appreciation for our community and its rich built environment.

For the past nine years, I have worked as a project manager for Reiman Corp. in our Commercial Construction division. One of the things I appreciate about working with Reiman is the commitment to our local community and the long history of building and improving some of Cheyenne's most well-known historical downtown structures. While my career and direct experience with historical renovations is relatively limited, the opportunities I have had to work on landmark projects have been some of my favorites.

Most recently, I had the privilege of serving as Project Manager for the Cheyenne Depot Renovations project. The requirement to comply with

the National Historic Preservation Act and maintain historical integrity while working within current industry standards, codes and available materials on a project like this provides unique challenges. However, finding solutions to those challenges gives me a deep sense of accomplishment, more so than completing a new ground-up build. I am proud to say that I was a small part of improving and updating such an iconic building and destination in Cheyenne.

With my wide range of experience working on everything from small local renovation projects to large ground-up facilities, I've gained an understanding of city standards and development goals and requirements. I've also collaborated closely with city officials and organizations that are integral to the culture of Cheyenne and the attractions that help our community and state thrive.

These experiences have allowed me to witness firsthand the importance of preserving our city's historic structures and features. I am passionate about fostering civic pride in our past and promoting the adaptive reuse of historic landmarks for the education, pleasure, and welfare of our community.

I am excited about the opportunity to broaden my experience by getting involved in an organization outside of my day to day work, and to contribute to the Cheyenne Historic Preservation Board's mission. I believe my experience, passion for preservation, and love for the Cheyenne community make me a strong candidate for this position. Thank you for considering my application.

Warm regards,
Kelly Sevier

Please explain your interest in serving on this Board/Committee/Commission

I have lived in Wyoming for close to 22 years. Farming in Torrington for 12 years before moving to Cheyenne. Currently I serve on the Committee "Friends of the Atlas Theater" and help with their preservation. I am a strong supporter that believes in all Historic preservation. My belief is "once it's gone, its gone". Cheyenne has many beautiful and historic buildings that should be saved to remind future generations of the wonderful history of our city. I am also a Master Electrician in the State of Wyoming for 23 years but am currently retired. I do use my expertise in electrical to help the Atlas Theater with their need. I would enjoying helping in the future preservation of Cheyenne wonderful history. I would appreciate your consideration for the board. Thank you
