CITY OF CHEYENNE GOVERNING BODY

AUGUST 11, 2025

STAFF REPORT

FILE: PUDC-25-80: Tract 2 Winco Subdivision and land west of Converse Avenue - Annexation

REQUEST: An annexation of 18.62 acres of land.

LOCATION: Northeast of the intersection of Frontier Mall Dr. and Rue Terre Avenue and west of Converse Avenue.

APPLICANT: Shane Hanson, Stiel Surveying

AGENT: Shane Hanson, Stiel Surveying

OWNERS: Section 20 LLC

PURPOSE: Commercial Development

PREPARED BY: Connor White, Planner II

APPLICABLE CITY CODE SECTION(S) AND PLANS:

- UDC 2.4.2 Annexations
- PlanCheyenne

BACKGROUND:

The applicant is requesting annexing 18.62 acres of land to allow for commercial development. The land is currently vacant. The annexed area will be assigned a City zone based on the underlying County zone. No other applications have been submitted for this property at this time.

Land annexed to the City requires a City zone. The petition to annex has been accompanied by an assigned City zone of CB Community Business.

SURROUNDING LAND USE AND ZONING:

	Future Land Use Designation	Zoning	Land Use
Subject Site	Mixed-use Commercial	County CB	Vacant
North	Urban Residential / Mixed-use Commercial	County A-1 / NR-3 Neighborhood Residential High-Density	Vacant / Multi-family Residential
South	Mixed-use Commercial / Community Business	CB / MUB Mixed-use Business / NR-3	Multi-family Residential / Commercial / Vacant
East	Mixed-use Commercial / Community Business / Mixed-use Residential	NR-3 / CB / County A-1	Vacant / Commercial / Multi-family Residential
West	Mixed-use Commercial / Community Business	CB / NR-3	Commercial / Multi-family Residential

ANALYSIS OF APPLICATION CONFORMANCE WITH REVIEW CRITERIA:

To accept the petition to annex and approve the annexation Ordinance, the Governing Body must make the following findings required in WS 15-1-402; a detailed analysis of which is below:

- 1) An annexation of the area is for the protection of the health, safety and welfare of the persons residing in the area and in the city or town. [WS 15-1-402 (a) (i)]**

The annexation of this property will increase the health, safety, and welfare of the future occupants. By being in City limits, the property will receive access to City Fire and Police and sanitation services. By being within City Limits the property will be able to connect to City services.

The application **complies** with this review criterion.

- 2) The urban development of the area sought to be annexed would constitute a natural, geographical, economical and social part of the annexing city or town. [WS 15-1-402 (a) (ii)]**

These properties are currently vacant but are within a major commercial area of the City. They are surrounded by urban development making these properties a natural, geographic, economic, and social part of the city. The properties are adjacent to the City to the south, east, and west. The contiguity to the City and the proximity to surrounding urban-style development makes the parcel a natural geographic part of the City. The annexation of these properties will benefit those who live within the City and will be a part of the social and economic fabric that is Cheyenne. These parcels are part of a larger County Pocket.

The application **complies** with this review criterion.

- 3) The area sought to be annexed is a logical and feasible addition to the annexing city or town and the extension of basic and other services customarily available to residents of the city or town shall, within reason, be available to the area proposed to be annexed. [WS 15-1-402 (a) (iii)]**

The area is a logical and feasible addition to the City due to the reasons previously listed. All City services normally available to residents will also be made available. Police and fire protection will be extended upon annexation. Utilities are within the area.

The application **complies** with this review criterion.

- 4) The area sought to be annexed is contiguous with or adjacent to the annexing city or town, or the area meets the requirements of W.S. 15-1-407. [WS 15-1-402 (a) (iv)]**

Tract 2, Winco Subdivision is roughly 69% contiguous. The parcel adjacent to Converse Avenue and E Carlson is roughly 62% contiguous.

The application **complies** with this review criterion.

- 5) If the city or town does not own or operate its own electric utility, its governing body is prepared to issue one (1) or more franchises as necessary to serve the annexed area pursuant to W.S. 15-1-410. [WS 15-1-402 (a) (v)]**

Utility franchises are in place to serve the annexed area.

The application **complies** with this review criterion.

- 6) The annexing city or town, not less than twenty (20) business days prior to the public hearing required by W.S. 15-1-405(a), has sent by certified mail to all landowners and affected public utilities within the territory a summary of the proposed annexation report as required under subsection (c) of this section and notice of the time, date and location of the public hearing required by W.S. 15-1-405(a). [WS 15-1-402 (a) (vi)]**

A certified mailing was made to the landowners and public utilities on July 10, 2025. Property owners within 300-feet of the area to be annexed were also mailed notice on July 10, 2025. The public hearing for this annexation is scheduled for August 11, 2025. Twenty (20) business days (on the City's calendar) prior to the announced public hearing is July 11, 2025. The earliest confirmation of delivery was dated July 12, 2025.

The application **complies** with this review criterion.

CONFORMANCE WITH APPLICABLE PLANS:

The project is located in an area covered by the following plans:

- Plan Cheyenne

The Future Land Use Map of PlanCheyenne, as updated by Connect 2045, anticipates this area of the community to develop with Commercial uses. These areas are expected to develop with full access to urban services – such areas are best served by being within City limits. The area is within the Urban Service Boundary.

PUBLIC NOTICE AND PUBLIC COMMENTS RECEIVED:

Although projects have public notice and the opportunity for public comments, projects are required to be approved or denied based on the review criteria (listed above). Public comments relevant to the review criteria may assist the review and discussion on the application.

The public was given notice of the project in the following ways:

- **Legal Notice** in the Wyoming Tribune Eagle published on July 12, 2025 and August 2, 2025.
- **Mailed Notice** was sent out by Staff on July 10, 2025 to all property owners within the annexation and within 300 feet of the area to be annexed.
- **Posted Notice** Evidence of posted notice was provided that signs were posted on May 20, 2025.
- **Internet Posting** on connect.cheyennecity.org on July 14, 2025.

As of the publication of the Staff Report (July 28, 2025), Staff has received one inquiry from the public on this project. The inquiry was just about what may be planned and there was no objection. The project page on the website has received 15 views and no comments.

STAFF REVIEW:

No major comments were received.

CONCLUSION:

Staff is satisfied that the application meets the review criteria and therefore recommends approval of the annexation.

The proposed annexation is a natural extension of the City, is contiguous to the current City limits, and services typically available to urban areas are available to be extended to this property.

STAFF RECOMMENDATION:

Staff recommends approval of the annexation of the property.
