Please explain your interest in serving on this Board/Committee/Commission

My deep-seated desire to serve on the Housing & Community Development Advisory Council for the City of Cheyenne stems from a genuine commitment to enhancing our community's well-being. My years of volunteer experience with local builder, Gateway Construction, have provided me with a practical understanding of the construction and development landscape. Coupled with my 11 years at Cheyenne Regional Medical Center, where I currently serve as Public Information Officer and Chair of the Employee Advisory Board, I possess strong communication and collaborative skills. As chair of the EAB, I have gained valuable experience in both grant writing and reviewing grant requests, skills that are directly applicable to the Council's work. Furthermore, my work with the CRMC legal department to review and provide final copy on policies has given me experience in policy review and development. My passion for process improvement, honed through my work and volunteer activities, fuels my drive to contribute to strategic solutions that will address Cheyenne's housing and community development needs, ultimately fostering a more vibrant and prosperous city for all residents.
