

MEMORANDUM

TO: The Honorable Mayor Patrick Collins and City of Cheyenne Council Members
FROM: Robin Lockman, City Treasurer
DATE: October 7, 2025
SUBJECT: Reappropriation to be considered for approval

On October 13, 2025, the Governing Body will be referring a resolution to the Finance Committee to reappropriate funds for the Fiscal Year (FY) 2026 City of Cheyenne Budget per W.S. § 16-4-112 and 16-4-113. Below is additional information regarding this request.

ALL FUNDS - ENCUMBRANCES AND ROLLOVER ACCOUNTS

Each September, my department prepares a comprehensive budget reappropriation request. This request carries forward funds from the previous fiscal year, including encumbrances and unspent project balances. Encumbrances are purchase orders that were issued for goods and services ordered prior to but not received and paid until after June 30, 2025.

When the FY 2026 budget was approved in June, rollover amounts for unspent project balances were not included because final fiscal year-end balances were unknown. After the City's books closed in early September and those balances were finalized, we added them to the FY 2026 budget through this reappropriation request.

Purchase Order Encumbrances Rollover

Attached are detailed reports of FY 2025 purchase order encumbrances, totaling:

- \$3,101,885 in the General Fund
- \$13,045,327 across all other City funds

Unspent FY 25 Balances

The following General Fund line items with unspent FY 2025 balances will be carried forward to FY 2026, totaling \$1,488,566:

- \$45,650 – City Council Ward discretionary funds
- \$15,081 – Police Department firing range improvement project
- \$94,027 – Police Department critical traffic area overtime

- \$86,947 – Police Department noise and speed enforcement overtime
- \$666,105 – Community Recreation and Events (CRE) lottery proceeds for capital projects
- \$4,680 – CRE tree removal services on City properties and rights-of-way
- \$142,400 – Planning & Development county pocket annexations
- \$433,676 – Miscellaneous Department 15th Street Railcar Experience EDA grant match requirement

GENERAL FUND – RESERVES REQUESTS

New General Fund Reserves Requests

There are three additional General Fund expenses included in this reappropriation that have been recently approved through the City’s procurement process totaling \$49,543. They include:

- \$2,950 – Historic Pumphouse Building appraisal contract for Mayor’s Office
- \$35,123 – New Urban SDK Insights software subscription for the Police Department
- \$11,470 – Four Stalker LIDAR radar detectors for Police Department

CRE Request for Civic Center, Ice & Events Center and Fridays on the Plaza

Finally, as in past years, Director Jason Sanchez is requesting \$366,371 for increased transfers from the General Fund to the Civic Center, Ice & Events Center, and Fridays on the Plaza through CRE General Fund FY 2025 budget reversions (please see attached memo from Director Sanchez).

MEMORANDUM

TO: The Honorable Mayor Patrick Collins and City of Cheyenne Council Members
FROM: Jason Sanchez, Community Recreation and Events Director
DATE: September 30, 2025
SUBJECT: Civic Center and Ice & Events Center Requests from General Fund Reserves

At the close of last fiscal year, our team managed over 100 large-scale events within the Community Recreation & Events (CRE) Department. Nearly half of these events, including Fridays on the Plaza, Superday, Brew Fest, CFD Pancake Breakfast, Cheyenne Day, and more, were hosted outside of the Cheyenne Civic Center and were directly managed or facilitated by Civic Center staff.

The Civic Center staff consists of five full-time staff members who are critical to the operations and success of these outside events due to their specialized skill sets in technical production, event management, booking, marketing and advertising, ticketing, and safety. With this team, we have seen our most successful Fridays on the Plaza to date, built stronger partnerships with third-party promoters and agents, cultivated deeper relationships with sponsors, and served as a critical resource for local groups and community organizations in the surrounding area.

The continued growth of the caliber of events we are bringing to the downtown community has consequently garnered stronger support from businesses as these events are catalysts for driving tourism, economic growth, and overall vitality for the City of Cheyenne. For example, Visit Cheyenne's economic impact analysis of the 2025 Fridays on the Plaza season estimated that the concert series generated roughly \$1.9 million dollars of economic impact for Cheyenne.

The Cheyenne Civic Center holds a special place in the hearts of our citizens, serving as a home for a wide range of events, from performances by local artists to nationally renowned acts, community events, conferences, training sessions, and so much more. Its diverse offerings contribute significantly to the City's cultural fiber, vibrancy, and economic growth. And CRE continues to evolve the ways in which its programming connects citizens and visitors alike with the Civic Center.

However, like any facility, the Civic Center requires ongoing investments to maintain its infrastructure, attract top-tier talent, and provide the best experience for both performers and audiences. It is my belief that redirecting funds toward the Civic Center is a strategic move that

will yield substantial returns in terms of community engagement, economic activity and overall quality of life for our residents.

I respectfully request your support to reappropriate \$300,000 from the General Fund Community Recreation & Events \$678,619 FY25 reversions to support the Civic Center. I am also requesting \$36,371 be reappropriated to support Ice & Events Center expenses, as well as \$30,000 toward Fridays on the Plaza expenses.

I understand the allocation of funds is a complex process that requires careful consideration of various priorities. However, I firmly believe that supporting these programs aligns with our city's commitment to quality of life and fostering a rich cultural landscape, supporting local businesses and community groups, as well as providing our residents with enriching experiences.

Respectfully,

Jason Sanchez

Community Recreation & Events, Director
