ORDINANCE NO. _____

ENTITLED: “AN ORDINANCE AMENDING THE OFFICIAL ZONING MAP OF THE CITY OF CHEYENNE, ESTABLISHING THE ZONING CLASSIFICATIONS OF AG – AGRICULTURAL, AND MR - MEDIUM-DENSITY RESIDENTIAL, FOR LAND ANNEXED TO THE CITY OF CHEYENNE GENERALLY LOCATED SOUTH OF STOREY BOULEVARD, EAST OF POWDERHOUSE ROAD, NORTH OF DELL RANGE BOULEVARD, AND WEST OF RIDGE ROAD.”

BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF CHEYENNE, WYOMING:

Section 1. That in accordance with the calendar year 2022 goal of the Governing Body, City staff have petitioned the Governing Body for a zoning map amendment (zone change) for property generally located south of Storey Boulevard, east of Powderhouse Road, north of Dell Range Boulevard, and west of Ridge Road in accordance with Section 2.2.1, Zoning Map Amendment, of the Cheyenne Unified Development Code ("UDC").

Section 2. That Section 2.2.8 of the UDC provides standards and procedures for zoning districts established on land or property currently without a City zone assignment.

Section 3. That on January 5, 2026, the City of Cheyenne Planning Commission conducted a public hearing, reviewed the proposed zone changes that are the subject of this ordinance, and recommended approval of said zone changes.

Section 4. That the Governing Body of the City of Cheyenne finds that the zone changes that are the subject of this ordinance meet the criteria specified in Section 2.2.8.d of the UDC.

Section 5. That, in accordance with Section 2.2.8, Assigned Zoning, Section 5.1.2, Zoning Districts Established, and Section 5.1.3, Official Zoning Map, of the UDC, the zoning classifications of the real properties particularly described below are hereby established as follows: Pocket A zoned County LU – Land Use is zoned AG – Agricultural, Pocket B zoned County LU – Land Use is zoned MR – Medium-density Residential, and Pocket C zoned County LU – Land Use is zoned MR – Medium-density Residential:

CITY OF CHEYENNE PLANNING COMMISSION
JANUARY 5, 2026
STAFF REPORT

FILE: PUDC-25-258: County Pocket Annexation #9. – Assigned Zoning

LOCATION: South of Storey Boulevard, east of Powderhouse Road, North of Dell Range Boulevard, and west of Ridge Road.

REQUEST: Assigning City zones to properties that the City is annexing.

ANNEXATION APPLICANT: City of Cheyenne

OWNER: Various

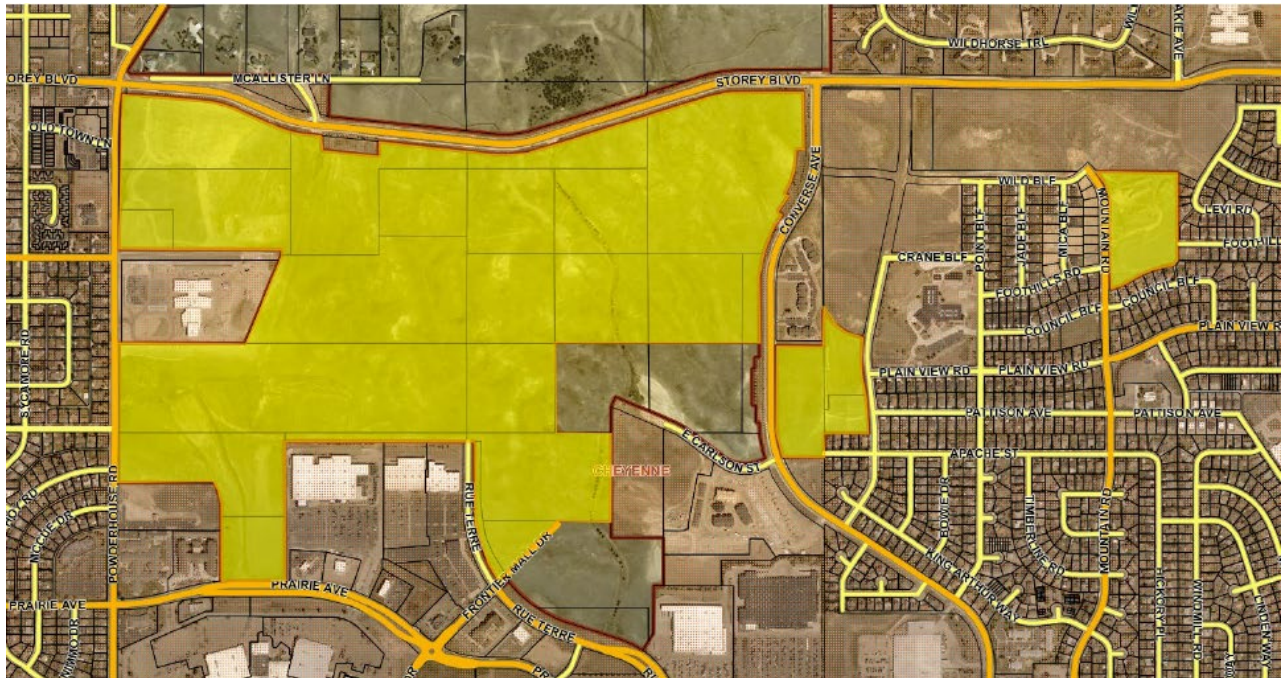

CURRENT ZONING: County LU

PROPOSED ZONING: AG and MR.

FUTURE LAND USE: Urban Residential and Mixed-use Commercial.

PURPOSE: To establish a City zoning district concurrent with annexation.

PREPARED BY: Connor White, Planner II

RECOMMENDED MOTION:

Move to recommend the Governing Body **approve** the assigned zoning for land south of Storey Boulevard, east of Powderhouse Road, North of Dell Range Boulevard, and west of Ridge Road to AG Agricultural and MR Medium-density Residential as shown in the attached zone change map, noting that the project meets the review criteria for approval.

APPLICABLE CITY CODE SECTION(S) AND PLANS:

- UDC 2.2.8 Assigned Zoning

BACKGROUND:

The City is annexing parcels that are 100% surrounded by current City Limits as part of Council's goals to annex county pockets. Annexation of a parcel requires a city zone to be established.

ANALYSIS OF APPLICATION CONFORMANCE WITH REVIEW CRITERIA:

Should the Planning Commission wish to recommend approval of the Zoning Map Amendment, the Commission must make the following findings required in UDC 2.2.1.d. A detailed analysis is below:

1. The proposed zoning assignment is the most analogous City zone to the current zone when taking into consideration allowed uses, current uses, or surrounding City zones.

Zoning shall be assigned a City zone based on:

- Permitted uses,**
- Uses that could reasonably be anticipated for conditional use approval under the current zoning,**
- Current uses, or**
- Surrounding City zoning,**

as deemed most suitable for the property being assigned a zone in terms of allowing the landowner to continue the current use of the land while respecting the current and anticipated uses of surrounding property.

Through the reviewing of the County Pockets, the assigned zoning is fairly straightforward.

Pocket A

Pocket A is currently zoned LU – Land Use within the County. This pocket has a variety of City zone districts that surround it. There is commercial zoning to the south and mainly residential zoning to the east and west. To the north is County LU. This pocket is very large and a majority is currently under the ownership of one family. There is one parcel owned by the City and one by the School District. The land is currently used for grazing and is all vacant. Staff is unsure how this area will develop and due to the size and current use, Staff believes that the **AG – Agricultural** zone is the most analogous zone for this pocket. The AG zone is also a holding zone which will allow the land to be rezoned more easily in the future as the land develops.

Pocket B

Pocket B is currently zoned LU – Land Use within the County. There are three different parcels in this pocket that are all under the same ownership. These parcels are currently vacant. They are surrounded by residential and public zoning. To the west, northwest, and southwest, the surrounding land is zoned NR-3 – Neighborhood Residential-High Density. The other zoning to the north is NR-2 – Neighborhood Residential-Medium Density. The zoning to the southeast is MR- Medium-density Residential. P – Public zoning is to the southwest and northeast. Two of the parcels are designated Urban Residential by the future land use map and the parcel along Converse is designated Mixed-use Residential by the future land use map. More than likely, these parcels will develop with some type of residential use. Based on this information Staff believes that the **MR – Medium-density Residential** zone is the most analogous zone for this pocket. Although NR-3 and NR-2 zoning make up a majority of the adjacent zoning, Staff does not believe a higher-intensity residential zone is appropriate for the **assigned** zoning and should the developer of the land wish to upzone to a higher intensity residential zone, they can go through the Zone Change process which would review the higher-intensity zone on its merits and require neighbor notification.

Pocket C

Pocket C is currently zoned LU – Land Use within the County. This pocket is surrounded by MR – Medium-density Residential on all sides and has a little bit of LR – Low-density Residential to the southwest. The land is currently vacant. Surrounding land uses are single-family residential on three sides and vacant land to the north. More than likely, this parcel will develop with some type of residential use. Based on this information Staff believes that the **MR – Medium-density Residential** zone is the most analogous zone for this pocket.

This assigned zoning **complies** with review criterion 1.

STAFF REVIEW:

Through the review process, there were no comments.

CONCLUSION:

Staff is satisfied that the application meets the review criteria set forth in UDC 2.2.8.(d).

ALTERNATIVES:

1. Recommend approval of the Assigned Zoning as submitted by the applicant (**Staff Recommendation**).
2. Recommend approval of the Assigned Zoning subject to conditions or modifications.
3. Recommend denial of the Assigned Zoning based on findings of denial. The Planning Commission must conclude that the project does not meet all the review criteria. As part of the motion, findings for denial must be stated.
4. Postpone the Assigned Zoning until issues identified during the meeting can be resolved.

General Information Regarding Alternatives:

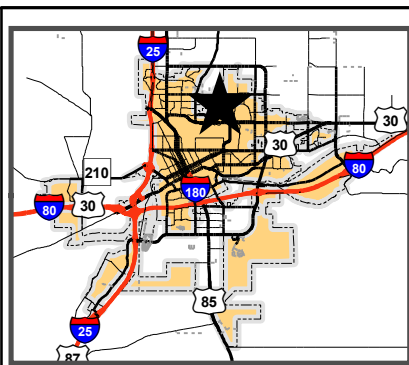

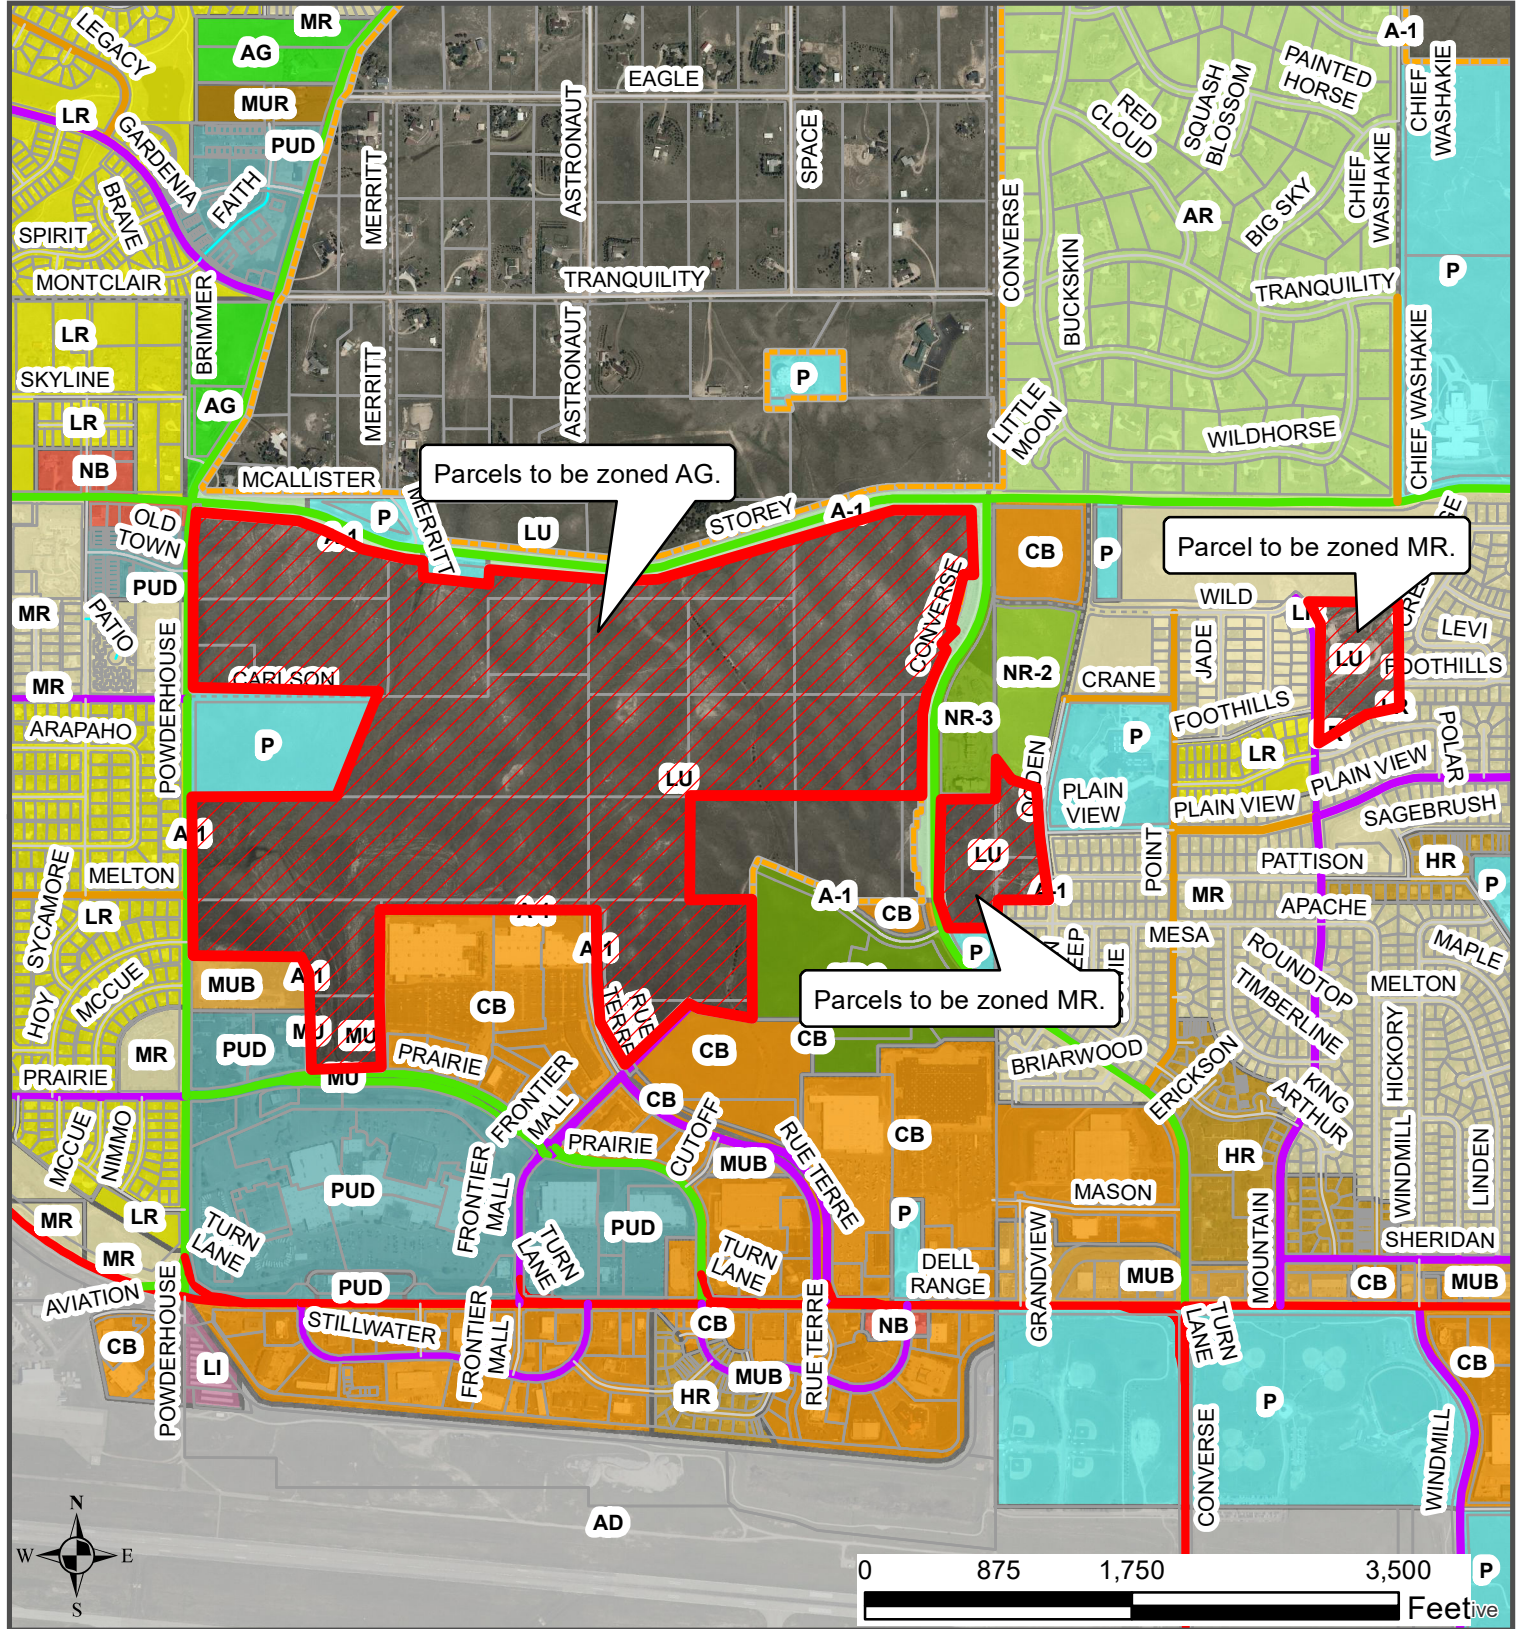

If the Commission acts contrary to staff's recommendation or recommends conditions of approval, the Commission shall cite specific reasons (based on the review criteria) for their recommendation.

STAFF RECOMMENDATION:

Staff recommends approval of the assigned zoning for zoning for land south of Storey Boulevard, east of Powderhouse Road, North of Dell Range Boulevard, and west of Ridge Road to AG Agricultural for pocket A and MR Medium-density Residential for pockets B and C as shown in the attached zone change map, noting that the project meets the review criteria for approval.
