The City of Cheyenne, Wyoming (the City), is the designated recipient of Federal Transit Administration (FTA) funds on behalf of the Cheyenne Transit Program (CTP). The Cheyenne MPO is the designated Title VI officer for the CTP.

To fulfill the general reporting requirements of Title VI, the Cheyenne Transit Program has developed a Title VI program to ensure supported transit services and related benefits are distributed by applicants, recipients, and sub-recipients of FTA assistance in a manner consistent with Title VI.

HISTORY OF TITLE VI COMPLAINTS

There have been no Title VI based complaints since the last CTP Title IV document was completed in 2023.

PUBLIC PARTICIPATION PLAN

Citizen participation at the basic level affirms the rights of the community to be informed and to provide comments to and receive responses back from the local government. It also provides a platform to express needs and meet goals for civic involvement. To be certain of inclusive public participation, an important goal is to integrate the considerations and viewpoints of minorities, those who are limited English proficiency (LEP) as well as, persons with disabilities and low-income in the course of conducting public outreach and involvement activities.

An important component of a Public Participation Plan for a transit program includes identification of strategies and procedures that involve outreach to engage minorities and limited English proficient populations and determine the social, economic and environmental impacts of current and proposed transit operations and services. The U.S. Census Bureau American Fact Finder website produces 2016 – 2020 American Community Survey 5-year Estimates for the Cheyenne metro area. They are;

- *MEANS OF TRANSPORTATION TO WORK BY LANGUAGE SPOKEN AT HOME AND ABILITY TO SPEAK ENGLISH Universe: Workers 16 years and over*
- *MEANS OF TRANSPORTATION TO WORK BY SELECTED CHARACTERISTICS FOR WORKPLACE GEOGRAPHY*

The two tables are included in appendix “D”.

1. Input opportunities:

- a. Notices regarding necessary and required CTP public involvement meetings are posted on the buses and at the transfer station as well as, the City website at least 10 -14 days prior to the meeting.
- b. Meetings are held during times that transit service is available. 6AM to 7PM.
- c. The Public Transit Advisory Board is always an important resource of citizen feedback for the Cheyenne Transit Program. Some citizen representatives on the Transit Board also serve local human service agencies. These Board members are appointed by the Mayor and approved by City Council. The list of the members of the Public Transit Advisory Board is appendix “E”.
- d. CTP is in frequent contact with senior citizen service organizations and senior residences to learn of any issues. Also, they get frequent feedback from the Veteran’s Administration, the Department of Family Services, the Wyoming Independent Living Rehabilitation

(WILR) and Community Action of Laramie County. A list of social and health care services in Cheyenne are included in appendix “F”.

2. Comprehensive Outreach Strategies:

- a. Transit staff keeps route/schedules maps on all buses, at the Transit Office, City of Cheyenne Municipal Building, City County Health Department, Department of Veterans Affairs, Cheyenne Health & Wellness Center, Laramie County Library, and the Cheyenne Visitors Kiosk at the Historic Depot. A copy of the route map, displayed in the shelters, can also be viewed at the City of Cheyenne website, transit page:

<https://www.cheyennecity.org/Your-Government/Departments/Public-Works/Transit/Route-System-Map>

There are three large QR codes on the bottom of the maps. When scanned the links provide users the map on their smart phones in Spanish, English or the live map with location of busses in real-time.

- a. CTP regularly publishes an advertisement to inform students and parents of the availability of the program in the Public Schools Chronicle, a quarterly publication for Laramie County School District #1, which is distributed by mail to all residents within the school district boundary.

3. Targeted Outreach Strategies:

- a. Outreach to low-income persons or persons with disabilities is primarily achieved by getting CTP route/schedule maps to the programs that serve those persons such as or other organizations that are listed in appendix “F”.
- b. CTP staff share the fact that Need’s Inc. provides free bus passes to individuals with proof of low and moderate income and resident status. This organization applied for and was granted Community Development Block Grant (CDBG) Program funds to purchase the passes to hand out to individuals in need of transportation. In the past, Cheyenne Transit was the recipient of this grant.
- c. The Transit Program buys advertising in the Laramie County Community College newspaper, “Wingspan”, in the Traders “Guide to Cheyenne”, in the senior citizens monthly newsletter and Laramie County School District’s “Public School’s Chronicle”.
- d. Public Meeting notices contain language stating that those who need ADA assistance or interpretive services should call the main transit number provided.
- e. MPO staff on behalf of the Cheyenne Transit Program have produced maps of the Cheyenne metropolitan area that evaluate if the Cheyenne Transit Program routes adequately reach concentrations of low-income and minority populations as represented by

ACS 2016-2020 tract level data. With the upcoming release of 2025 Census, more accurate demographic information will be available soon. The most current maps can be found in appendix “G”. All maps in appendix “G” contain the bus routes that were previously in place in 2019, prior to the pandemic which disrupted service, and has not returned to full operation.

4. Summary of Strategies for Outreach and Input since the Last Title VI submittal:

- a. Advertising on the local television station is a newer strategy for Cheyenne Transit to get the word out about the program to the public, as well as, using the City of Cheyenne’s social media site which increasingly has become a popular way of reaching persons that are not traditional news media users.
- b. CTP’s trip scheduling and routing software, Spare, sends a satisfaction survey via text message to every rider at the end of their trip asking for their feedback.
- c. Updating CTP’s website to ensure compliance with all ADA website Guidelines as well as to improve usability.

LANGUAGE ASSISTANCE PLAN

Introduction

The purpose of this Limited English Proficiency policy guidance is to clarify the responsibilities of recipients of federal financial assistance from the U.S. Department of Transportation (DOT) and assist them in fulfilling their responsibilities to limited English proficient (LEP) persons, pursuant to Title VI of the Civil Rights Act of 1964 and implementing regulations. It was prepared in accordance with Title VI of the Civil Rights Act of 1964, 42 U.S.C. 2000d, et seq., and its implementing regulations provide that no person shall be subjected to discrimination on the basis of race, color, or national origin under any program or activity that receives federal financial assistance.

Executive Order 13166

Executive Order 13166 "Improving Access to Services for Persons with Limited English Proficiency," reprinted at 65 FR 50121 (August 16, 2000), directs each Federal agency that is subject to the requirements of Title VI to publish guidance for its respective recipients clarifying that obligation. Executive Order 13166 further directs that all such guidance documents be consistent with the compliance standards and framework detailed in the Department of Justice's (DOJ's) Policy Guidance entitled "Enforcement of Title VI of the Civil Rights Act of 1964- National Origin Discrimination Against Persons with Limited English Proficiency." (See 65 FR 50123, August 16, 2000 DOJ's General LEP Guidance). Different treatment based upon a person's inability to speak, read, write, or understand English may be a type of national origin discrimination.

Executive Order 13166 applies to all federal agencies and all programs and operations of entities that receive funding from the federal government, including state agencies, local agencies, Metropolitan Planning Organizations (MPOs), governments, private and non-profit entities, and subrecipients.

Plan Summary

The Cheyenne Transit Program (CTP) has developed this Limited English Proficiency Plan (LEP) to help identify reasonable steps to provide language assistance for LEP persons seeking meaningful access to transportation services as required by Executive Order 13166. A Limited English Proficiency person is one who does not speak English as their primary language and who has a limited ability to read, speak, write, or understand English.

This plan details procedures on how to identify a person who may need language assistance, the ways in which assistance may be provided, training staff, and how to notify LEP persons that assistance is available.

In developing the plan while determining CTP's extent of obligation to provide LEP services, CTP undertook a U.S. Department of Transportation four factor LEP analysis which considers the following: A brief description of these considerations is provided in the following section.

Four Factor Analysis

1. The number or proportion of LEP persons eligible to be served or likely to be encountered by Cheyenne Transit Program.

According to the 2016 – 2020 American Community Survey 5-year Estimates for the Cheyenne metro area, the Hispanic population is 10,179 or, 15.9% of the total population and is the largest minority. Of the total Hispanic population only 222 speak English “not well”. See appendix “H”.

2. The frequency with which LEP individuals come in contact with the CTP.

The four transit routes cover approximately 85% of the urbanized area. Approximately 60% of the transit stops have shelters that contain maps with the QR codes for Spanish maps. Most non-English speaking residents either have an app on their smart phones for translation (i.e. Google Translate) or have other English-speaking family members with them. Many human services agencies are quite aware of the Cheyenne Transit program and can provide information about it to their clients in need of transportation. List is appendix “F”.

3. The nature and importance provided by CTP to people's lives.

The CTP system is designed to serve persons who do not have driver licenses, seniors, the disabled and low-income individuals. If LEP individuals are included in one of these categories, then public transit is very important to them.

4. **The resources available to CTP for LEP outreach, as well as the costs associated with that outreach.**

- a. The US Census data website is the primary source of identifying the number of LEP populations within the Cheyenne area. Agencies that serve these individuals have been able to provide some information although it is only an estimate, because they do not formally collect this information. The 2023 American Community Survey 5-year Estimates for the Cheyenne metro area indicates that 1.5% of the Households in the Cheyenne Census County Division speak English less than “very well.”

Hispanic or Latino Origin

Note: This is a modified view of the original table produced by the U.S. Census Bureau. This download or printed version may have missing information from the original table.

Cheyenne city, Wyoming			
Label	Estimate	Margin of Error	
▼ Total:	64,976	±37	
Not Hispanic or Latino	54,583	±742	
Hispanic or Latino	10,393	±742	

- b.
- c. The FTA and FHWA planning funds are the source for 90.49% of the CTP planning budgets. Conducting the LEP research and outreach is done in-house by MPO staff.
- d. CTP has installed the Google Translate app on all staff phones including front office, dispatch and drivers so that if a non-English speaking person is encountered while providing transit service, they will be able to communicate with them.
- e. Many LEP individuals may use their own vehicles or carpool to get to and from work because it can be more convenient to them personally than the transit system and because of Cheyenne’s relative compact size.

After analyzing the four factors, CTP has developed a LEP Plan outlined in the following section for assisting persons of limited English proficiency.

Limited English Proficiency Plan

1. How to Identify an LEP Person who Needs Language Assistance - Below are tools to help identify persons who may need language assistance:
- a. Examine records requests for language assistance from past meetings and events to anticipate the possible need for assistance at upcoming meetings;
- b. When CTP-sponsored workshops or conferences are held, post on the public notices the

- contact information for people with special needs. Also set up a sign-in sheet table, have a staff member greet and briefly speak to each attendee. To informally gauge the attendee's ability to speak and understand English, ask a question that requires a full sentence reply;
- c. Use the Google Translate app if a non-English speaking individual is encountered.
 - d. Frequently meet with staff to learn if they have had direct or indirect contact with LEP individuals.
2. Language Assistance Measures - CTP has or will implement the following LEP procedures. The creation of these steps is based on the very low percentage of persons speaking other languages or not speaking English at least "well," in the Cheyenne metropolitan area:
- a. The CTP website has installed a translation application.

- b. When the CTP hosts public meetings or conferences and a special need is identified in advance, every effort will be made to have a translator available at the meeting or someone with the Google Translate App.
- 3. Staff Training - All CTP staff will be provided with the LEP Plan and will be educated on procedures to follow. This information will also be part of the Human Resources staff orientation process for new hires. Training topics are listed below:
 - a. Understanding the Title VI policy and LEP responsibilities;
 - b. What language assistance services the Cheyenne Transit Program offers;
 - c. Documentation of language assistance requests;
 - d. How to handle a Title VI and/or LEP complaint
- 4. Outreach Techniques
 - a. The availability of translated vital documents for any non-English proficient person eligible to be served or likely affected by the Cheyenne Transit program is a primary outreach technique. All documents will be available on the CTP website and with the translator app, they can all be converted to the language the user desires to view and print them with. Vital written documents include an ADA and Title VI complaint form, notice of a person's rights under Title VI, and other documents that provide access to essential services.
 - b. A summary of outreach techniques CTP has taken to ensure meaningful access for individuals who are Limited English Proficient (LEP) is outlined below:
 - i. The City and CTP website has language translation app for persons needing Spanish or other language translation.
 - ii. Posters or flyers are distributed to groceries that cater to ethnic populations; La Rosa Market - 804 Central Ave., Golden Dragon grocery– 1605 Seymour Ave., Tortilleria La Paz – 200 E. 18th St.
 - iii. Spanish route map/schedules are available with a smart phone using the QR code. Printed maps in Spanish are available on request.
 - iv. When running a general public meeting notice, staff will insert the clause, based on the LEP population and when relevant, that translates into "A (insert alternative Language) translator will be available". For example: *"Un traductor del idioma espanol estara disponible."* This means *"A Spanish translator will be available"*.
- 5. Monitoring and Updating the LEP Plan - This plan is designed to be flexible and is one that can be easily updated. At a minimum, CTP will follow the Title VI Program update schedule for the LEP Plan. Each update should examine all plan components such as:
 - a. How many LEP persons were encountered?
 - b. Were their needs met?
 - c. What is the current LEP population in Cheyenne metropolitan area?

- d. Are other languages becoming increasingly spoken in the Cheyenne area?
 - e. Have CTPs available resources, such as technology, staff, and financial costs changed?
 - f. Has CTP fulfilled the goals of the LEP Plan?
 - g. Were any complaints received?
6. Dissemination of the *CTP Language Proficiency Plan* – Cheyenne Transit Program includes the LEP Plan with its Title VI Policy and Complaint Procedures. The Cheyenne Transit “Notice of Rights under Title VI to the Public” is posted in the Transit office. Any person, including social service, non-profit, and law enforcement agencies and other community partners will be able to access the plan. Copies of the LEP Plan will be provided, on request, to any person(s) requesting the document via phone, in person, by mail or email. LEP persons may obtain copies/translations of the plan upon request. Any questions or comments regarding this plan should be directed to the Cheyenne Transit Title VI officer.

MINORITY REPRESENTATION ON PLANNING AND ADVISORY BODIES

The Public Transit Advisory Board (PTAB) is comprised of transit users and agencies that serve persons who may use transit in greater frequencies than the general populace. The members are recommended by the Transit Director from members of the public that have shown an interest in the local transit program and are willing to serve as well as applications that have been received previously. The PTAB members are appointed by the Mayor and approved by the City Council. The appointments are for a 3-year term with options to be reappointed. CTP advertises the PTAB openings publicly: City's website, social media, press release issued by Mayor's office, etc. Anyone with an interest in public transportation is welcome to apply.

Cheyenne Population	87.35%	55,989	15.88%	10,179	1.68%	1.53%	0.59%
Transit Advisory Board	100%	7	0%	0	0%	0%	0%

REQUIREMENTS AND GUIDELINES FOR FIXED ROUTE TRANSIT PROVIDERS

The Cheyenne Transit Program does not operate 50 or more fixed route vehicles in peak service and is not located in an urbanized area of 200,000 or more people. Therefore, CTP is only required to submit as part of their Title VI program the following:

Service Standards

1. Vehicle Load Standards

Vehicle Type	# of Busses	Average Passenger Capacities			
		Seated	Standing	Total	Maximum Load Factor
22' Small Bus	1	14	9	23	1.6
23' Small Bus	6	12	12	24	2
26' Small Bus	4	20	15	35	1.75
26' Small Bus	2	6	3	9	1.5
27' Small Bus	3	20	15	35	1.75
28' Small Bus	2	22	17	39	1.8
33'Small Bus	2	24	14	38	1.58

2. Vehicle Headway Standards

Prior to April 2022, six routes operated on hourly headways, between 6:00am to 7:00pm, Monday through Friday and 10:00am to 5:00pm Saturdays. No service was provided on Sunday. In April 2020, route service was put on hold. In September 2023 the fixed route service was reinstated with four routes identified by the Transportation Development Plan. These routes operate on a 30 min headway between 6:00 am and 7:00 pm Monday thru Friday and 10:00 am to 5:00 pm on Saturday. There is no service on Sundays. On Time Performance Standards

When route service was running prior to April 2020, ninety-five percent (95%) of the Cheyenne Transit Program's vehicles completed their established runs no more than 5 minutes early or late in comparison to the established schedule/published timetables. With the return of fixed route service, on time performance returned to 90-95% of vehicles running no more than 5 min early or late on average.

3. Service Availability Standards

Prior to April 2020, Cheyenne Transit provided transit service to at least 85% of those destinations most frequently traveled to by riders and those locations will have a bus stop within 1/4 mile. In 2023, with the return of fixed route service, Cheyenne Transit returned to providing transit service to at least 75% of the previous destinations.

Service Policies

1. Vehicle Assignment Policy

The bus assignment policy will consider the operating characteristics of buses of various lengths, which are matched to the operating characteristics of the route. Routes with lower ridership may be assigned a smaller bus, if necessary and conversely, the routes that have higher ridership will be assigned the largest busses.

2. Transit Amenities Policy

Installation of transit amenities along bus routes are based on the number of passenger boardings at stops along those routes.

APPENDIX C

City of Cheyenne Title II & Title VI Policy and Complaint Procedures

Title II of the "Americans with Disabilities Accessibility Act" (ADA) is the title that applies to public entities like state and city governments. The Americans with Disabilities Act of 1990 is divided into a number of titles. Title II requires nondiscrimination on the basis of disability, in state and local government services. These "public entities" - including departments, agencies, or other instrumentalities - are required to comply with the ADA.

Title VI states that no person in the United States of America shall, on the grounds of race, color, national origin, sex, age, or disability be excluded from the participation in, be denied the benefit of, or be otherwise subjected to discrimination under any of our programs or activities.

The City of Cheyenne hereby gives public notice that it is the policy of the City of Cheyenne to assure full compliance with both Title II of the Americans with Disabilities Act and Title VI of the Civil Rights Act of 1964, the Civil Rights Restoration Act of 1987, and related statutes and regulations in all programs and activities.

The City of Cheyenne has adopted a grievance procedure providing for prompt and equitable resolution of complaints. This Grievance Procedure is established to meet the requirements of the ADA. It may be used by anyone who wishes to file a complaint concerning access to City facilities, services, activities, programs, or benefits.

The complaint process and form are posted on the City's webpage under "report a concern" and ADA requests. The form is also available in Human Resources, 2101 O'Neil Avenue, Room 103, Cheyenne, WY 82001.

The complaint should be in writing using the Title VI and ADA Complaint Form below and contain all information requested about the alleged discrimination such as name, address, phone number of complainant and location, date, and description of the problem. Alternative means of filing complaints, such as personal interviews will be made available for persons with disabilities upon request. The complaint should be submitted by the complainant within sixty (60) calendar days of the alleged violation. The signed form shall be submitted to:

City of Cheyenne
ADA Coordinator, Human Resources
2101 O'Neil Avenue, Front Lobby
Cheyenne, WY 82001
(307) 637-6340

Receipt of a Complaint

Upon receipt of a complaint, the ADA Coordinator will provide the appropriate Department Director or their designated representative with a copy of the complaint. Within fifteen (15) calendar days after receipt of the complaint, the ADA Coordinator will then conduct an investigation that may involve meeting with the complainant to discuss the complaint and possible resolutions.

If an informal resolution is not reached with the complainant, within 60 calendar days after receipt of the complaint, the ADA Coordinator will respond in writing, and where appropriate, in a format accessible to the complainant, such as large print, Braille, or audio recording. The response will explain the position of the City and offer options for substantive resolution of the complaint.

Retention Policy

All written complaints received by the City's ADA Coordinator or his/her designee, appeals to the Mayor or his/her designee, and responses from these two offices will be retained by the ADA Coordinator for at least five years.

The right of a person to a prompt and equitable resolution of the complaint filed hereunder shall not be impaired by the person's pursuit of other remedies, such as the filing of an ADA complaint with the responsible state or federal department or agency. Use of this complaint procedure is not a prerequisite to the pursuit of other remedies.

This policy is printed and available from the ADA Coordinator's office, the Cheyenne Transit Office and is published on the City's website for easy access.
