

MEMORANDUM

TO: Mayor Patrick Collins, and City Council
FROM: Erin Johnson, Transit Administrator
DATE: April 8, 2026
SUBJECT: Consideration of #9925 SPARE contract modification for Transit dispatch and paratransit software services

Requests for quotes were solicited for Transit Fixed route and ridership tracking for all Fixed Route Transit Vehicles for the City of Cheyenne, Cheyenne transit Program.

Five (5) quotes were received in response to the request. The quotes were received from:

- 1) SPARE Labs Vancouver, BC
- 2) Swiftly San Francisco, CA
- 3) Peak Transit Orlando, FL
- 4) ETA Transit Boca Raton, FL
- 5) TripShot/Passio/Transit Technologies Knoxville, TN

The quotes were reviewed by Erin Johnson, Transit Administrator, and the recommendation is to move to modify the current contract with SPARE Labs. SPARE Labs is the current provider and the staff at CTP are happy with the services provided.

The current contract includes pricing with the SPARE Software Platform, Spare AI Base Platform fee and Monthly Spare AI Outcomes with an annual renewal period. The modification would include Spare Fixed Route Platform, Base dedicated to four (4) vehicles and the ability to add more at a fixed cost and the Spare One app that would include both the fixed and paratransit/on-demand service for the public. The modification would renew on an annual basis at a 5% increase each year.

The current contract amount is \$54,525.00 (annually with a 5% increase). The addition of the Spare Fixed Route Platform and one time implementation fee at \$78,000.00, for a grand total of \$134,711.00
