

CITY OF CHEYENNE
CONTRACT MODIFICATION

APPROVED as to form only:
By John Brodie at 8:23 am, Apr 21, 2026

Contract Modification: #1
Project: Three (3) Fire Apparatus for Cheyenne Fire Rescue
Project Number: Bid #E-4-25
Contractor: Front Range Fire Apparatus
Date Prepared: April 17, 2026

The above-mentioned contract is amended or modified as set forth in the following and these amendments and modifications of the plans and specifications are agreed to by the parties. All other aspects of the original agreement remain unchanged and in full force and effect.

I. Description of Changes:

Consideration of Bid #E-4-25 for the purchase (3) Fire Apparatus for the City of Cheyenne, Cheyenne Fire Rescue Department (CFR), funded by Future Ballot Specific Purpose Option Tax Fund, was approved by the Governing Body on November 25, 2024. At the time of placing the order, the anticipated delivery timeframe was three to four years out.

CFR has since been informed by the awarded Contractor, Front Range Fire Apparatus, that one (1) stock fire apparatus is nearing production completion by Pierce Manufacturing and is available for assignment to CFR's order. Although this unit does not fully conform to the specifications set forth in Bid #E-4-25, it remains within the same apparatus classification (Pump Under Cab – PUC, Type 1 Pumper) and is considered operationally equivalent for the purposes intended under the bid.

After review, CFR has determined that the opportunity to take delivery of a substantially similar apparatus on an accelerated timeline provides a significant operational benefit. The ability to place this unit into service well in advance of the originally anticipated delivery schedule is deemed to outweigh the impacts associated with the specification differences. Acceptance of this unit is further determined to be in the best interests of the City, as it enhances service readiness without materially undermining the intent of the original procurement or resulting in unfair advantage or prejudice to other potential bidders.

II. New Contract Items:

The specifications of the stock unit differ slightly from the specifications listed in Bid #E-4-25. These differences have been reviewed and approved by CFR, City Fleet Maintenance, and City Purchasing. The stock unit and related specifications, including the *Proposal for Furnishing Fire Apparatus and Option List*, are attached hereto and incorporated herein as **Exhibit A**. Notable differences include a higher gallon-per-minute rated water pump, a larger engine, and a larger transmission. The stock unit also includes some differences in terms of cabinet placements, storage configurations, equipment inclusions, and overall fit and finish. The overall intent and function of the specifications are achieved through acceptance of the stock unit; however, there are variances between the originally specified build and the stock unit.

Accepting the stock unit at this time presents the potential for cost savings to the City. At an original bid price of \$1,472,877.06, there is the potential to save \$44,035.06 by accepting the stock unit at a cost of \$1,428,842.00. CFR will coordinate with the manufacturer to make select adjustments to the stock unit to bring it closer to the original bid specification and requirements of CFR, including the use of some allowances provided by the manufacturer. The final price of the stock unit will not exceed the original bid price, and any remaining funds not utilized for modifications will revert to General Fund Reserves.

III. Schedule:

The delivery schedule for one (1) unit on the Bid #E-4-25 order will be expedited to allow for delivery upon completion of production, currently estimated for the fourth quarter of 2026.

IV. Summary:

Original Contract Amount	\$5,023,363.63
Previous Modifications	\$0.00
Contract Amount Prior to this Modification	\$5,023,363.63
This Modification (Decrease)	\$-44,035.06
New Contract Amount	\$4,979,328.57

V. GL Account Information:

The original Consideration of Bid authorized the purchase of three (3) apparatus to be funded through the Future Special Purpose Option Tax (6th Penny) ballot item. CFR now requests authorization to fund one (1) apparatus from General Fund Reserves to allow for immediate obligation of funds and an accelerated delivery schedule. This use of General Fund Reserves is intended as an interim funding measure. The remaining two (2) apparatus shall remain funded through the 6th Penny ballot item as originally approved. Upon voter approval of the ballot initiative associated with the original three (3) apparatus, it is the City's intent that such revenues will reimburse the General Fund Reserves for the cost of the apparatus initially funded through those reserves.

PROPOSAL FOR FURNISHING FIRE APPARATUS

April 20th, 2026

Cheyenne Fire Rescue
2101 O'Neil Avenue
Cheyenne, WY 82001

Exhibit A

The undersigned is prepared to manufacture for you, upon an order being placed by you, for final acceptance by Front Range Fire Apparatus., at its home office in Frederick, Colorado, the apparatus and equipment herein named and for the following prices:

(1) One Pierce Enforcer PUC Stock Pumper 45776 **\$ 1,428,842.00**
Per the attached proposal
Delivery is approximately 5-6 Months

Due at factory upon final inspection

Total **\$ 1,428,842.00**

Said apparatus and equipment are to be built and shipped in accordance with the specifications hereto attached, delays due to strikes, war, or intentional conflict, failures to obtain chassis, materials, or other causes beyond our control not preventing, within about 5 to 6 months after receipt of this order and the acceptance thereof at our office at Frederick, Colorado, and to be delivered to you Cheyenne, WY.

The specifications herein contained shall form a part of the final contract, and are subject to changes desired by the purchaser, provided such alterations are interlined prior to the acceptance by the company of the order to purchase, and provided such alterations do not materially affect the cost of the construction of the apparatus.

The proposal for fire apparatus conforms with all Federal Department of Transportation (DOT) rules and regulations in effect at the time of bid, and with all National Fire Protection Association (NFPA) Guidelines for Automotive Fire Apparatus as published at the time of bid, except as modified by customer specifications. Any increased costs incurred by first party because of future changes in or additions to said DOT or NFPA standards will be passed along to the customers as an addition to the price set forth above.

Unless accepted within 30 days from date, the right is reserved to withdraw this proposition.

Due to global supply chain constraints, any delivery date contained herein is a good faith estimate as of the date of this order/contract, and merely an approximation based on current information. Delivery updates will be made available, and a final firm delivery date will be provided as soon as possible.

PROPOSAL FOR FURNISHING FIRE APPARATUS

The Seller will document any such updated price for the customer's approval before proceeding and provide an option to cancel the order.

FRONT RANGE FIRE APPRATUS.
