

MEMO

To: Honorable Mayor Patrick Collins and Members of the City Council
From: Sophia Maes, DDA Executive Director
Date: March 23, 2026
Subject: Downtown Development District Expansion

Background:

The item for consideration is a Downtown Development District Expansion. This is approved by Ordinance.

The procedure for inclusion of additional land in the district is outlined in Wyoming Statute § 15-9-223 which reads as follows:

“15-9-223. Inclusion of additional property into development area; procedure.

Subsequent to the organization of an authority, additional property may be included in the development area. Proceedings for inclusion shall be initiated by petition to the board of the authority signed by the owner or owners in fee of each parcel of land adjacent to the existing area sought to be included. The petition shall include evidence satisfactory to the board concerning title to the property and an accurate legal description thereof. If the board approves the application, it shall submit the application to the governing body of the municipality. If the governing body also approves the application, it shall then, at a regular or special meeting, by amendment to the ordinance treating the authority, redescribe the development area so as to include the additional property as described in the petition. From the effective date of the amendment the additional property shall be included within the development area and shall be subject to any taxes thereafter imposed by the municipality for the use and benefit of the authority.”

The proposed Governing Body review schedule is as follows:

- Introduction and Referral 03/23/2026
- Public Services Committee 04/06/2026
- Second reading 04/13/2026
- Public Services Committee 04/20/2026
- Third and final reading 04/27/2026

The Downtown Development Authority Board Recommendation:

At its Regular Board meeting on January 15, 2026, the DDA Board approved the application and recommended approval by the Governing Body at a regular meeting.

CITY OF
CHEYENNE

STAFF REPORT

Proposal: Downtown Development District Expansion
Location: 2100 Snyder Ave, Cheyenne, WY 82001
Date: January 15, 2025
Staff Contact: Sophia Maes, DDA Executive Director

Recommended Motion:

Move to approve the petition for the inclusion of the following property in the Downtown Development District:

- Laramie County Property ID Number 14663133500500 (Snyder Food).

and forward this application on to the Governing Body to consider amending the Downtown Development District to include this property and all adjacent rights-of-way.

Background:

On November 18, 2025, staff received the petition from Rahul Dhani, representative of Dhanminder Singh and Surekha Kumari (property owners of 2100 Snyder Avenue), for inclusion of property within the Downtown Development District. This property is contiguous to the Downtown District along Snyder Avenue.

Figure 1: Property location contiguous to DDA District Boundaries along Snyder Ave.

Figure 2: 2100 Snyder Ave

If the Downtown Development Authority Board approves the addition of the parcel to the District, the request will be sent to the Governing Body for consideration and resolution, and then again for an ordinance amending the Downtown District boundary. The Downtown Development District is described in section 2.76.040 of the municipal code.

The procedure for inclusion of additional land in the district is outlined in Wyoming Statute § 15-9-223 which reads as follows:

“15-9-223. Inclusion of additional property into development area; procedure.

Subsequent to the organization of an authority, additional property may be included in the development area. Proceedings for inclusion shall be initiated by petition to the board of the authority signed by the owner or owners in fee of each parcel of land adjacent to the existing area sought to be included. The petition shall include evidence satisfactory to the board concerning title to the property and an accurate legal description thereof. If the board approves the application, it shall submit the application to the governing body of the municipality. If the governing body also approves the application, it shall then, at a regular or special meeting, by amendment to the ordinance treating the authority, redescribe the development area so as to include the additional property as described in the petition. From the effective date of the amendment the additional property shall be included within the development area and shall be subject to any taxes thereafter imposed by the municipality for the use and benefit of the authority.”

With the redescription of the Downtown Development District, staff intends to draft a legal description including all adjacent rights-of-way to the existing district and added property. This would include all adjacent rights-of-way including but not limited to Snyder Avenue on the east side, West 21st Street on the south side, and the adjacent alley on the north side. This would allow DDA funds to be used on improvements within the adjacent rights-of-way.

Figure 3: Property and adjacent ROW

Impact and Benefits:

The inclusion of this property supports the DDA's statutory purpose to stop and prevent the spread of blight and maintain and increase property values within the central business district (W.S. 15-9-201). Expansion of the Downtown Development District enables infrastructure and property upgrades that the DDA can help fund through the Capital Improvement Grant, Façade Improvement Program, and other improvement grants, enhancing the area's overall functionality and visual appeal. Inclusion of this property would help stimulate economic activity, attract new businesses, and support job creation within the expanded District, particularly with the potential of the Reed Rail Project and the increased demand it will put on property investment and improvements for nearby areas.

This inclusion contributes to a more cohesive and thriving urban environment. Expanding the District aligns with the long-term strategic vision for not only the 2024 Plan of Development (specific to Infrastructure & Land Use redevelopment goals), but also the West Edge by encouraging orderly, planned development and access to resources. Additionally, inclusion of this property creates an opportunity to collaborate with other property owners along Snyder Avenue from 22nd to 15th Street for future inclusion in the DDA District. This corridor-wide approach could unlock multiple opportunities to support West Edge revitalization (a significant gateway to Downtown Cheyenne), advance the Area Wide Plan for brownfields mitigation, and position commercial properties along Snyder to benefit from potential progress on the Reed Rail Project. These all contribute to the purpose and mission of the Downtown Development Authority.

Governing Body Review Schedule:

This item is considered in the form of a resolution to approve the application, followed by an ordinance amending the municipal code to redescribe the Downtown Development District area with the additional

property. This requires three readings by the Governing Body and referral to Public Services Committee twice for both the resolution and the ordinance amendment process.

- Governing Body introduction of the expansion request and resolution: January 26th at 6:00 pm in Council Chambers.
- Public Services Committee: February 2nd at noon at the Council Chambers.
- Second Reading: February 9th at 6:00 pm in Council Chambers.
- Public Services Committee: February 17th at noon at the Council Chambers.
- Final Reading for resolution: February 23rd at 6:00 pm in Council Chambers.

followed by,

- Governing Body introduction of the amended ordinance: March 9th at 6:00 pm in Council Chambers.
- Public Services Committee: March 16th at noon at the Council Chambers.
- Second Reading: March 23rd at 6:00 pm in Council Chambers.
- Council Committee: April 6th at noon at the Council Chambers.
- Final Reading: April 13th at 6:00 pm in Council Chambers.

Conclusion:

Based on the considerations above, it is recommended that the Downtown Development Authority Board approves the petition to expand the Downtown Development District to include the requested property in the District.

Staff Recommendation:

Staff recommends the Downtown Development Authority approve the petition for the inclusion of the following property in the Downtown Development District:

- Laramie County Property ID Number 14663133500500 (Snyder Food).
