Contract Modification: #1
Project: City Of Cheyenne On-Call Engineering Services
Project Number: 268218 (Contract No. 8218)
Contractor: AVI Engineering, PC
Date Prepared: April 22, 2026

The above-mentioned contract is amended or modified as set forth in the following and these amendments and modifications of the plans and specifications are agreed to by the parties. All other aspects of the original agreement remain unchanged and in full force and effect.

I. Description of Changes:

This Modification adds additional compensation to the Agreement in an amount not to exceed Twenty-Five Thousand Dollars (\$25,000.00) for continued on-call engineering services. The Consultant shall continue to provide services in accordance with the original Scope of Work, including preparation of design plans, construction support services, and other related engineering services as requested by the City, on an as-needed basis and subject to the availability of such funds.

II. New Contract Items:

None.

III. Schedule:

The Agreement term may extend beyond the original termination date set forth in Contract No. 8218, if necessary, to allow for completion of services authorized under this Modification. Any such extension is limited to the period during which funds added by this Modification remain available and shall not exceed the time required to expend such funds. In no event shall the Contract continue after such funds have been fully expended or if the Agreement is otherwise terminated in accordance with its terms.
