MEMO

To: Honorable Mayor Patrick Collins and Members of the City Council
From: Connor White
Subject: PUDC-26-34 / Sweetgrass PUD – PUD Amendment
Date: April 13, 2026

Background:

The item for consideration is a Final Planned Unit Development (PUD) Amendment. This is approved by Ordinance.

The proposed Governing Body review schedule is as follows:

- Introduction and Referral April 13, 2026
- Public Services Committee April 20, 2026
- Second reading April 27, 2026
- Public Services Committee May 4, 2026
- Third and final reading May 11, 2026

Planning Commission Recommendation:

The Planning Commission heard this item at their April 6, 2026 meeting and recommended the Governing Body approve this application.

The Planning Commission Staff report is attached and has not been changed.

Public Comment

As of the creation of this memo (April 8, 2026), Staff has received several inquiries and comments from the public on this project. A majority of the inquiries were about what the actual amendment was and what it changed. The project page on the website has received 85 views and no comments.

ORDINANCE NO. _____

ENTITLED: "AN ORDINANCE PURSUANT TO SECTION 2.2.2 PLANNED DEVELOPMENT - REGULATING PLAN OR DEVELOPMENT MASTER PLAN AND SECTION 5.6.2 PUD - PLANNED UNIT DEVELOPMENT DISTRICT OF THE UNIFIED DEVELOPMENT CODE, AMENDING ORDINANCE NO. 4524 BY MODIFYING CERTAIN STANDARDS OF THE ADOPTED DISTRICT, PLANNED UNIT DEVELOPMENT (PUD), FOR SWEETGRASS (LOCATED SOUTHEAST OF THE INTERSECTION OF COLLEGE DRIVE AND AVENUE C.)."

BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF CHEYENNE, WYOMING:

Section 1. That the owners of the property described herein have submitted an amendment to the Sweetgrass Planned Unit Development ("PUD") pursuant to Section 2.2.2.b and Section 5.6.2.f of the Cheyenne Unified Development Code ("UDC").

Section 2. That on April 6, 2026, the City of Cheyenne Planning Commission conducted a public hearing, reviewed the proposed amendments to the PUD Final Plan that is the subject of this ordinance, and recommended approval of said amendments to the Sweetgrass PUD Final Plan.

Section 3. That the Governing Body of the City of Cheyenne finds that the amended Sweetgrass PUD Final Plan meets the criteria specified in Section 2.2.2.d of the UDC.

Section 4. That in accordance with Section 2.2.2 Planned Development - Regulating Plan of Development Master Plan and Section 5.6.2 PUD - Planned Unit Development District of the UDC, the application is hereby approved.

Section 5. That, in accordance with UDC Section 5.6.2, the land use, design and development standards and guidelines established in Ordinance No. 4524 and subsequent Administrative Amendments shall be amended as outlined in Exhibit A.

Section 6. That the City Engineer is hereby authorized and directed to alter and amend the Official Zoning Map as described in 5.1.3 of the UDC to comply with the zone change as described in Section 4 above when this ordinance takes effect in accordance with Section 8 below.

Section 7. Sections, paragraphs, sentences, clauses and phrases of this ordinance are severable. If any section, paragraph, sentence, clause, or phrase of this ordinance is declared unconstitutional, such unconstitutionality shall not affect any of the remaining sections, paragraphs, sentences, clauses, and phrases.

Section 8. That this ordinance shall be in full force and effect upon its approval and publication.

AMENDMENT TO SWEETGRASS PLANNED UNIT DEVELOPMENT

Amending Subsection 1.E Community Parks and Parcel Parks, AND Subsection 2.C DEFINITIONS “Community Park”, AND Subsection 4.B.9-1 9-1: Community Park [O/S-P] Specific Standards; clarifying private vs. public park and recreation areas and ownership/maintenance provisions; AND Adding Subsection 1.H(3) PUD Amendments “Land Use Amendments (Zoning)”;
to allow for Zone Change Applications within the PUD

On behalf of the Sweetgrass Planned Unit Development (PUD), and by the authority of the Sweetgrass Master HOA, the Declarant and Applicant proposes to amend the PUD Regulating Document as follows:

A. Subsection E Community Parks and Parcel Parks of Section 1 of the Sweetgrass PUD, is amended as set out in this section:

2. The PUD shall dedicate to the City a 45-acre Community Park within or immediately adjacent to the first phases of development, ~~and is~~ within 1.5 miles of more than 90% of the dwellings proposed in this PUD. Subsequent public park dedication(s) to fulfill the remaining required area will be subject to applicable PUD regulations for the Community Park and will be determined by the rate at which the PUD develops, acceptance by the City of the proposed dedication, and funds available for appropriate improvements.

3. Private parks are not ~~generally~~ required ~~within the Sweetgrass PUD~~ except as stipulated in Subsections 4.A.6 & 4.A.11; nothing in this PUD is intended to prevent the developer of any individual Parcel from creating a private park.

B. Subsection C: Definitions, of Section 2, of the Sweetgrass PUD, is appended as set out in this section:

Community Park: Dedicated open space to be owned and maintained by the City of Cheyenne as a public park to serve the residents of the PUD and surrounding neighborhoods. The ~~60-acre Tract of land~~ initial Community Park dedication (see Subsection 1.E above) shall be located at the southeast corner of Loving Trail and Murray Rd. (~~within~~ Parcel designation “A+H”).

C. Item 9-1 (a and c): Community Park [O/S-P] Specific Standards: ~~(Parcel A+H)~~, of Subsection 4.B, of the Sweetgrass PUD, is amended as set out in this section:

a. Intent: The A+H Parcel is intended ~~primarily~~ for a Community Park and other Civic or Recreational uses and a minimum of 50% of the Parcel is ~~intended~~ to be dedicated to the City of Cheyenne to be developed by the City as a public park to serve south Cheyenne. The park should include regional stormwater detention facilities and trails to serve the PUD and connect to LCCC. Detailed program and design of ~~public facilities~~ will be determined by the City.

b. General Standards:

i. All provisions of **Section 3.A, B, C, & E above.**

ii. Table 9 AND the following:

(a) Athletic fields, stands, and gathering areas shall a minimum of 100’ from any residential lot.

(b) Parking lots and drives shall be located a minimum of 50’ from any residential lot.

c. Alternative Uses:

i. In the event the designated area or portion(s) thereof are not accepted by the City of Cheyenne for Civic uses, or developed as open space, Community Park, or for recreational uses, the list of permitted uses in ~~said~~ portion(s) shall expand to include those allowed in the MDR – Medium Density Residential District per PUD§4.A.9

ii. Up to 50% of the Community Park Parcel(s) [O/S-P] may be developed privately for allowed recreational or open space use(s) as long as the total Public Park area is not less than 45 acres. In such case, the area of the privately developed recreational use(s) may be counted towards the total Community Park/open space dedication required by PUD§1.E.1, however such area(s) shall be privately owned and maintained..

D. Subsection H: PUD Amendments of Section 1, is appended as set out in this section:

3. **Land Use Amendments (Zoning)**: When development conditions or Parcel circumstances have changed with respect to the PUD Master Plan, a landowner or the Committee may submit an application pursuant to UDC§2.2.1 to change up to 25% of the Land Use Designation for the Parcel. Such applications shall meet the review criteria of UDC§2.2.1 and must receive Committee Endorsement prior to submittal to the City of Cheyenne.

Amendments of more than 25% of the PUD Parcel area shall be considered Major and subject to PUD§1.H.2 above. All requests will be evaluated by the Committee based on the scope and character of the request and at the Committee’s sole discretion, amendments of less than 25% of the PUD Parcel area may be considered Major and shall follow PUD§1.H.2 above.

CITY OF

— PLANNING & DEVELOPMENT —

CITY OF CHEYENNE PLANNING COMMISSION

APRIL 6, 2026

STAFF REPORT

FILE: PUDC-26-34: Sweetgrass PUD Amendment

REQUEST: An amendment to the Sweetgrass Planned Unit Development (PUD).

LOCATION: Southeast corner of the intersection of College Drive and Avenue C.

APPLICANT: Casey Palma, Palma Land Planning

OWNER: Lummis Livestock CO, LLC

CURRENT ZONING: PUD Ord. #4524

FUTURE LAND USE: Urban Residential, Mixed-use Commercial, Open Space and Parks, and Mixed-use Employment

TOTAL AREA: Approximately 2,349.5 acres

CASE PLANNER: Connor White, Planner II

RECOMMENDED MOTION:

Move to recommend the Governing Body **approve** the Sweetgrass PUD amendment.

APPLICABLE CITY CODE SECTION(S) AND PLANS:

- UDC 2.2.2 Planned Development - Regulating Plan or Development Master Plan
- UDC 5.6.2 PUD – Planned Unit Development District
- UDC Article 4 Subdivisions
- UDC Article 5 Zoning Regulations
- PlanCheyenne
- [Current Sweetgrass PUD – Link](#)

BACKGROUND:

This is a request to amend the Sweetgrass Planned Unit Development (PUD). This is an amendment to make changes regarding the community park and add a Land Use Amendment process. The current PUD has very specifically designated park parameters and the proposed amendment increases flexibility in the provisions of park land.

The PUD language proposed to be amended is as follows:

(Section 1)**E. Community Parks and Parcel Parks**

1. Based on the maximum number of units allowed in this PUD, to maintain the desired Level of Service for the anticipated number of dwelling units across this PUD, 5.8 acres of Community Parks per 1,000 residents (at 2.25 residents per unit), the Sweetgrass PUD is required to set aside a minimum of 67.2 acres of usable land.
2. ~~The PUD shall dedicate to the City a 45-acre Community Park~~ within or immediately adjacent to the first phases of development, ~~and is~~ within 1.5 miles of more than 90% of the dwellings proposed in this PUD. ~~Subsequent public park dedication(s) to fulfill the remaining required area will be subject to applicable PUD regulations for the Community Park and will be determined by the rate at which the PUD develops, acceptance by the City of the proposed dedication, and funds available for appropriate improvements.~~
3. Private parks are not ~~generally~~ required ~~within the Sweetgrass PUD~~ except as stipulated in ~~Subsections 4.A.6 & 4.A.11~~; nothing in this PUD is intended to prevent the developer of any individual Parcel from creating a private park.

(Section 2.C)

4. ~~Community Park: Dedicated open space to be owned and maintained by the City of Cheyenne as a public park to serve the residents of the PUD and surrounding neighborhoods. The ~~±60-acre Tract of land~~~~ initial Community Park dedication (see Subsection 1.E above) shall be located at the southeast corner of Loving Trail and Murray Rd. (~~within~~ Parcel designation "A+H").

(Section 4.B.)**9-1: Community Park [O/S-P] Specific Standards: (Parcel A+H)**

- a. Intent: The A+H Parcel is intended ~~primarily~~ for a Community Park and other Civic or Recreational uses and ~~a minimum of 50% of the Parcel is intended~~ to be dedicated to the City of

Cheyenne to be developed by the City as a public park to serve south Cheyenne. The park should include regional stormwater detention facilities and trails to serve the PUD and connect to LCCC. Detailed program and design of **public facilities** will be determined by the City.

b. General Standards:

- i. All provisions of **Section 3.B.1 through 3.B.3 above.**
- ii. Table 9 AND the following:
 - (a) Athletic fields, stands, and gathering areas shall a minimum of 100' from any residential lot.
 - (b) Parking lots and drives shall be located a minimum of 50' from any residential lot.

c. Alternative Uses:

- i. In the event that the designated area or portion(s) thereof are not accepted by the City of Cheyenne for Civic uses, the list of permitted uses in ~~the said~~ portion(s) not acquired shall expand to include those allowed in the MDR – Medium Density Residential District per PUD§4.A.9.
- ii. Up to 50% of the Community Park Parcel(s) [O/S-P] may be developed privately for allowed recreational or open space use(s) as long as the total Public Park area is not less than 45 acres. In such case, the area of the privately developed recreational use(s) may be counted towards the total Community Park/open space dedication required by PUD§1.E.1, however such area(s) shall be privately owned and maintained.

d. Architectural Design: No supplemental Standards (see Section 3.B.3.c above).

e. Landscape Design: In addition to all other applicable landscape standards, any “**Naturalized Landscape**” provided in the Park and Civic areas shall be consistent with Section 3.E.4.

(Section 1)

H. PUD Amendments

1. **Minor Amendments:** The Committee is authorized to act on behalf of Sweetgrass owners and residents to petition the Director to make minor amendments to this PUD, subject to the Administrative Adjustment procedures outlined in UDC§2.3.4. Such amendments could include text amendments that do not substantially alter the nature of the PUD; including, but not limited to, adjustments to Parcel boundaries, trail alignments, and other similar items.
2. **Major Amendments:** In the event that the Director finds that a proposed amendment is outside of the minor adjustments described within UDC Section 2.3.4.b, the Committee is authorized to act on behalf of Sweetgrass owners and residents pursuant to UDC§5.6.2.h.
3. **Land Use Amendments (Zoning):** When development conditions or Parcel circumstances have changed with respect to the PUD Master Plan, a landowner or the Committee may submit an application pursuant to UDC§2.2.1 to change up to 25% of the Land Use Designation for the Parcel. Such applications shall meet the review criteria of UDC§2.2.1 and must receive Committee Endorsement prior to submittal to the City of Cheyenne.
Amendments of more than 25% of the PUD Parcel area shall be considered Major and subject to PUD§1.H.2 above. All requests will be evaluated by the Committee based on the scope and character of the request and at the Committee’s sole discretion, amendments of less than 25% of the PUD Parcel area may be considered Major and shall follow PUD§1.H.2 above.

Proposed changes include:

1. Requiring the initial dedication to be 45-acres minimum (instead of the full 67.2 acres recommended by the analysis).
2. Allowing future dedications to make up the difference as mutually agreeable.
3. Allow for private recreation to count toward the minimum recreation area.
4. Add a Land Use Amendment procedure.

Regarding 1 and 2 above, generally City staff is amenable to the reduction in area of the initial park. Staff's determination is that Community Parks must be a minimum of 45 acres. However, Staff would emphasize that current capabilities would make multiple parks difficult to develop and maintain and the most likely scenario (according to current trends) is that the only public park in Sweetgrass would be the initial park. The Annexation agreement also encourages only one park to be developed. Sweetgrass has a long-term anticipated build-out (circa 50 years), so adding flexibility to future City officials would be appropriate in case the future City would like to own and maintain another park in this area of the community.

Regarding 3, City Staff is amendable to the proposed language to allow up to 50% of the Community Park parcel to be developed privately. The proposed amendment specifies that the total Public Park area can not be less than 45 acres.

Regarding 4, City Staff is satisfied with the proposed language as it is more restrictive than the UDC's Zoning Map Amendment.

ANALYSIS OF APPLICATION CONFORMANCE WITH REVIEW CRITERIA:

Should the Planning Commission wish to recommend approval of the final Planned Unit Development (PUD), the Commission must make the following findings required in UDC 2.2.2.d – a detailed analysis of which is below. No conditions may be added to a final PUD. The purpose of a final PUD review is to ensure compliance with the approved Preliminary PUD, its conditions of approval, and to establish the Ordinance officially changing the zoning to the PUD zone district.

1) The application meets all threshold requirements for application of the PUD District or Form-based Code standards. (UDC 2.2.2.d.1)

When a new PUD is established the UDC requires the PUD to meet certain thresholds; however, this application is proposing amending the text of an existing PUD, not to establish or expand the PUD.

The Unified Development Code requires every PUD Ordinance to include 12 specific elements (outlined in UDC 5.6.2.f). These elements are:

1. Uses by right and location
2. Uses permitted by Board approval and location
3. Lot and building standards (including frontage, size, coverage, building height, and setbacks/build-to lines)
4. Building design standards
5. Landscape, buffering, and screening requirements
6. Common open space or facilities and design types
7. Signage requirements and regulations
8. Parking requirements
9. Development performance standards
10. Proposed ownership of common facilities
11. A statement on how proposed deviations from otherwise required standards support the proposed plan, and result in design excellence and outstanding public amenity that is otherwise not allowable under general zoning standards
12. Any other requirements and restrictions

The existing PUD addresses all of the above items and the amendments continue to address the requirements.

The application **complies** with this review criterion.

2) The application presents clear and specific criteria on how the property and subsequent development will be reviewed, regulated and modified consistent with these regulations. (UDC 2.2.2.d.2)

The proposed amendment to the PUD adds additional language to sections related to the Community Park. It provides additional clarification on what will be dedicated to the City and the ability for there to be multiple parks. This amendment also allows for a portion of the community park to be privately developed.

An additional amendment process is also added to allow amendments to the land uses in the PUD. These amendments would need to follow the requirements of UDC2.2.1. The proposed language also restricts the area that can be change through this process to 25%. Anything over 25% would need to be submitted as a Major amendment.

The application **complies** with this review criterion.

3) The application is in accordance with the development policies and physical patterns identified in the Comprehensive Plan. (UDC 2.2.2.d.3)

PlanCheyenne has several designations for this area. The future land use map designates a majority of the development as Urban Residential, but also has designations of Mixed-use Commercial, Open Space and Parks, and Mixed-use Employment.

The Urban Residential category is intended to develop with largely residential uses with some neighborhood-serving commercial uses in developing areas. The proposed amendments do not affect the areas designated for commercial or residential.

Open Space and Parks is intended for regional parks and open space areas. The proposed changes affect the community park area. A community park will still be dedicated to the City, but the size will be reduced and a portion would be allowed to be privately developed. It does not change the use as open space or park area.

The application **complies** with this review criterion.

4) The application reflects sound planning and urban design principles with respect to existing and potential future development in the vicinity, including consideration of current and future streets, open spaces, blocks and lots, and public utilities or facilities. (UDC 2.2.2.d.4)

The PUD amendment proposes changes to park dedication and the City's responsibility for developing the community park. Keeping amenities scaled to available funding is good stewardship, so reducing the park size to a more manageable size for City Staff is appropriate.

However, privatization of recreational areas can create challenges for the opportunity for the community to use recreational spaces. Reduction in minimum park area and adding flexibility to have multiple parks is appropriate.

Areas of the PUD to the northeast of the portion of the PUD subject to this amendment have already been developed. These properties were likely marketed and occupied based on the PUD plan to have a park nearby.

This proposal does not propose changes to any street networks blocks or public utilities or facilities.

The application **complies** with this review criterion.

5) The application meets the purposes, intent, and all applicable standards in Article 4. (UDC 2.2.2.d.5)

The amendment does meet the purpose, intent and all applicable standards in Article 4. This amendment does not change any accesses or street networks in this area.

The application **complies** with this review criterion.

6) Any phasing proposed in the application is clearly indicated and demonstrates a logical and well-planned development pattern. This may include consideration of amenities and public facilities of the subdivision within each phase compared to the anticipated timing or the likelihood of future phases being constructed as planned. (UDC 2.2.2.d.6)

Phasing is proposed with this PUD. Sweetgrass is intended to be built out over thirty (30) phases. There is a master plan that demonstrates the intended layout of the development and indicates the zoning, uses and street networks. The proposed amendment adds more flexibility to the PUD to allow the zoning to change as the area develops. Changes to the phasing and master plan are not proposed.

Review criterion **not applicable**.

7) The impacts identified in specific studies or technical reports that were prepared or requested to be prepared in association with the application, and whether the findings and recommendations of these reports, or any modifications or conditions on approval of the application, can mitigate these impacts. (UDC 2.2.2.d.7)

A traffic impact study was prepared at the time of the original PUD. A new study was not prepared for this proposed amendment.

Review criterion **not applicable**.

8) The application is compatible with nearby property, specifically considering existing zoning, the Comprehensive Plan, and any other official plans and policies created under the guidance of that plan for these areas. (UDC 2.2.2.d.8)

The proposed amendment is specific to the PUD and the area within the PUD. The park parcel which is the subject of this amendment is adjacent to the exterior of the PUD and adjacent to developed areas within the PUD. Reduction of park area from 67.2 acres minimum to 45 acres minimum likely would have minimal impact on neighboring properties

The Parks and Recreation Master Plan requires community parks to be a minimum of 30 acres. The amendment specifies that the PUD shall dedicate 45-acres to the City and that up to 50% of the Community Park parcel may be privately developed as long as not less than 45 acres is still public.

Should circumstances change as the PUD develops a proposed amendment to allow Land Use Changes within the PUD is proposed. The proposed language follows UDC 2.2.1 Zoning Map Amendment when a change is proposed for up to 25% of an area. Anything over 25% would be required to go through a full PUD amendment.

The application **complies** with this review criterion.

9) The suitability of the subject property for development according to the standards and uses of the existing zoning district, compared with the suitability of the subject property for development according to the standards and uses of proposed zoning district. (UDC 2.2.2.d.9)

The PUD amendment proposes changes to park dedication and the City's responsibility for developing the community park. The amendments provide more flexibility by allowing private recreational development and adding additional language to allow for Land Use Amendments following the procedures of UDC 2.2.1.

The application **complies** with this review criterion.

10) The ability of the application to support the Intent and Applicability statements of the proposed zoning district, and achieve the Design Objectives of any specific standards. (UDC 2.2.2.d.10)

The proposed amendment does not change the intent or applicability of the PUD. The proposed amendment reduces the park size that the City would maintain but still requires park area. The amendment also allows for privatized recreational opportunities and allows a Land Use Amendment that follows the procedures of UDC 2.2.1 should circumstances change as the area develops.

The application **complies** with this review criterion.

11) The ability of all potential future development to meet all applicable standards for development in the proposed zoning district, including other development options

in the event that any specific development proposed in association with the application is not executed after approval. (UDC 2.2.2.d.11)

The changes made to the PUD can be met by future development within the Sweetgrass subdivision.

Review criterion largely **not applicable**.

12) Whether the planning and urban design concepts, and any proposed deviation from or alternative to otherwise applicable development standards, result in clear public benefits, as opposed to benefits to existing or future land owners in the development. (UDC 2.2.2.d.12)

The proposed amendment to the PUD makes changes to the City's responsibility for developing the community park and allows for some of the area proposed for the community park to be privately developed with other recreational uses. The benefits of having a park are still present in the PUD but ownership and maintenance would change slightly based on how the park develops. A minimum of 45 acres would be dedicated to the City and maintained as a public park while allowing additional private development of other recreational opportunities on the same proposed park parcel.

Additional language is proposed to allow for Land Use Amendments to the PUD's zoning map. This language proposes following UDC 2.2.1 Zoning Map Amendments as long as the area proposed for change is 25% or less. This is stricter than the UDC and allows for flexibility as the PUD develops.

The application **complies** with this review criterion.

13) The review and recommendations of other reviewing bodies. (UDC 2.2.2.d.13)

Staff has reviewed the proposed amendment and does not have any major concerns with the proposed language. Staff would emphasize that current capabilities would make multiple parks difficult to develop and maintain and the most likely scenario (according to current trends) is that the only public park in Sweetgrass would be the initial park.

The application **complies** with this review criterion.

14) Whether the application will harm the public health, safety, or general welfare. (UDC 2.2.2.d.14)

Generally, the amendment does not appear to harm the public health, safety, or welfare. The Public Park is still being provided and flexibility has been added to how the fully proposed park area will develop, both publicly and privately.

The application **complies** with this review criterion.

15) The application is compatible with the character of the surrounding area in terms of building scale, building form, landscape, and site design. (UDC 2.2.2.d.15)

The amendments do not make changes to the building scale, form, landscape and site design elements within the PUD.

The application **complies** with this review criterion.

CONCLUSION:

Staff is satisfied that the application meets the review criteria set forth in UDC 2.2.2.(d) for Final Planned Unit Development (PUD) approval.

ALTERNATIVES:

1. Recommend approval of the PUD Ordinance.
2. Recommend that the PUD Ordinance be approved with specific conditions or modifications, to be resolved prior to Governing Body approval of the PUD Ordinance.
3. Recommend that the application be denied based on findings of denial. The Planning Commission must conclude that the project does not meet all the review criteria. As part of the motion, findings for denial must be stated.
4. Postpone the project until issues identified during the meeting can be resolved.

General Information Regarding Options

A PUD is a specialized zoning Ordinance that becomes the official zoning of the selected area of the community. Once published, the Ordinance becomes law. Conditions or modifications must be resolved prior to final Governing Body approval.

STAFF RECOMMENDATION:

Staff recommends that the Planning Commission recommend the Governing Body **approve** the Sweetgrass Planned Unit Development (PUD) amendment.

Planned Development - Regulating Plan or Development Master Plan Review Criteria

The following review criteria are found in the UDC regarding a Planned Development - Regulating Plan or Development Master Plan. Please acknowledge the proposed application meets each review criterion by checking the box.

The application meets all threshold requirements for application of the PUD District or Form-based Code standards (2.2.2.d.1)*

The application presents clear and specific criteria on how the property and subsequent development will be reviewed, regulated and modified consistent with these regulations (2.2.2.d.2).*

The application is in accordance with the development policies and physical patterns identified in the Comprehensive Plan (2.2.2.d.3).*

The application reflects sound planning and urban design principles with respect to existing and potential future development in the vicinity, including consideration of current and future streets, open spaces, blocks and lots, and public utilities or facilities (2.2.2.d.4).*

The application meets the purposes, intent, and all applicable standards in Article 4 (2.2.2.d.5).*

Any phasing proposed in the application is clearly indicated and demonstrates a logical and well-planned development pattern. This may include consideration of amenities and public facilities of the subdivision within each phase compared to the anticipated timing or the likelihood of future phases being constructed as planned (2.2.2.d.6).*

The impacts identified in specific studies or technical reports that were prepared or requested to be prepared in association with the application, and whether the findings and recommendations of these reports, or any modifications or conditions on approval of the application, can mitigate these impacts (2.2.2.d.7).*

The application is compatible with nearby property, specifically considering existing zoning, the Comprehensive Plan, and any other official plans and policies created under the guidance of that plan for these areas (2.2.2.d.8).*

The suitability of the subject property for development according to the standards and uses of the existing zoning district, compared with the suitability of the subject property for development according to the standards and uses of proposed zoning district (2.2.2.d.9).*

The ability of the application to support the Intent and Applicability statements of the proposed zoning district, and achieve the Design Objectives of any specific standards (2.2.2.d.10).*

The ability of all potential future development to meet all applicable standards for development in the proposed zoning district, including other development options in the event that any specific development proposed in association with the application is not executed after approval (2.2.2.d.11).*

Whether the planning and urban design concepts, and any proposed deviation from or alternative to otherwise applicable development standards, result in clear public benefits, as opposed to benefits to existing or future land owners in the development (2.2.2.d.12).*

The review and recommendations of other reviewing bodies (2.2.2.d.13). (Not applicable at time of application)

Whether the application will harm the public health, safety, or general welfare (2.2.2.d.14).*

The application is compatible with the character of the surrounding area in terms of building scale, building form, landscape, and site design (2.2.2.d.15).*

Certification

I hereby certify that I am the owner, applicant, or agent named herein and that I have familiarized myself with the rules and regulations with respect to the filing of this application and that the foregoing statements and answers contained on this application and accompanying documents are true and accurate to the best of my knowledge.*

AMENDMENT TO SWEETGRASS PLANNED UNIT DEVELOPMENT
Amending Subsection 1.E Community Parks and Parcel Parks, AND Subsection 2.C DEFINITIONS
“Community Park”, AND Subsection 4.B.9-1 9-1: Community Park [O/S-P] Specific Standards;
clarifying private vs. public park and recreation areas and ownership/maintenance provisions;
AND Adding Subsection 1.H(3) PUD Amendments “Land Use Amendments (Zoning)”;
to allow for Zone Change Applications within the PUD

On behalf of the Sweetgrass Planned Unit Development (PUD), and by the authority of the Sweetgrass Master HOA, the Declarant and Applicant proposes to amend the PUD Regulating Document as follows:

A. Subsection E Community Parks and Parcel Parks of Section 1 of the Sweetgrass PUD, is amended as set out in this section:

2. The PUD shall dedicate to the City a 45-acre Community Park within or immediately adjacent to the first phases of development, ~~and is~~ within 1.5 miles of more than 90% of the dwellings proposed in this PUD. Subsequent public park dedication(s) to fulfill the remaining required area will be subject to applicable PUD regulations for the Community Park and will be determined by the rate at which the PUD develops, acceptance by the City of the proposed dedication, and funds available for appropriate improvements.

3. Private parks are not ~~generally~~ required ~~within the Sweetgrass PUD~~ except as stipulated in Subsections 4.A.6 & 4.A.11; nothing in this PUD is intended to prevent the developer of any individual Parcel from creating a private park.

B. Subsection C: Definitions, of Section 2, of the Sweetgrass PUD, is appended as set out in this section:

Community Park: Dedicated open space to be owned and maintained by the City of Cheyenne as a public park to serve the residents of the PUD and surrounding neighborhoods. The ~~±60-acre Tract of land~~ initial Community Park dedication (see Subsection 1.E above) shall be located at the southeast corner of Loving Trail and Murray Rd. (~~within~~ Parcel designation “A+H”).

C. Item 9-1 (a and c): Community Park [O/S-P] Specific Standards: (~~Parcel A+H~~), of Subsection 4.B, of the Sweetgrass PUD, is amended as set out in this section:

a. Intent: The A+H Parcel is intended ~~primarily~~ for a Community Park and other Civic or Recreational uses and a minimum of 50% of the Parcel is ~~intended~~ to be dedicated to the City of Cheyenne to be developed by the City as a public park to serve south Cheyenne. The park should include regional stormwater detention facilities and trails to serve the PUD and connect to LCCC. Detailed program and design of ~~public facilities~~ will be determined by the City.

b. General Standards:

i. All provisions of **Section 3.A, B, C, & E above.**

ii. Table 9 AND the following:

(a) Athletic fields, stands, and gathering areas shall a minimum of 100’ from any residential lot.

(b) Parking lots and drives shall be located a minimum of 50’ from any residential lot.

c. Alternative Uses:

i. In the event the designated area or portion(s) thereof are not accepted by the City of Cheyenne for Civic uses, or developed as open space, Community Park, or for recreational uses, the list of permitted uses in ~~said~~ portion(s) shall expand to include those allowed in the MDR – Medium Density Residential District per PUD§4.A.9

ii. Up to 50% of the Community Park Parcel(s) [O/S-P] may be developed privately for allowed recreational or open space use(s) as long as the total Public Park area is not less than 45 acres. In such case, the area of the privately developed recreational use(s) may be counted towards the total Community Park/open space dedication required by PUD§1.E.1, however such area(s) shall be privately owned and maintained..

D. Subsection H: PUD Amendments of Section 1, is appended as set out in this section:

3. **Land Use Amendments (Zoning)**: When development conditions or Parcel circumstances have changed with respect to the PUD Master Plan, a landowner or the Committee may submit an application pursuant to UDC§2.2.1 to change up to 25% of the Land Use Designation for the Parcel. Such applications shall meet the review criteria of UDC§2.2.1 and must receive Committee Endorsement prior to submittal to the City of Cheyenne.

Amendments of more than 25% of the PUD Parcel area shall be considered Major and subject to PUD§1.H.2 above. All requests will be evaluated by the Committee based on the scope and character of the request and at the Committee’s sole discretion, amendments of less than 25% of the PUD Parcel area may be considered Major and shall follow PUD§1.H.2 above.
