Please explain your interest in serving on this Board/Committee/Commission

My extensive experience as an HR leader, coupled with my roles as a volunteer leader with the Veterans of Foreign Wars (VFW), a member of my church's Board of Education, and my service on the Air Quality Board with the Department of Environmental Quality (DEQ), has equipped me with a unique perspective on public service and community engagement. Through my HR background, I have honed my skills in active listening, conflict resolution, and fostering collaborative environments, which are essential for understanding the diverse needs of our community. My volunteer work has deepened my commitment to serving others and emphasized the importance of transparency and communication in decision-making. Additionally, my involvement with the Air Quality Board has provided me with a solid grasp of regulatory frameworks and policies, enabling me to apply legal requirements effectively. Together, these experiences will empower me to listen to the public thoughtfully, adhere to legal standards, and make informed, equitable decisions that benefit the city of Cheyenne.

Other City or community volunteer experience

Air Quality Advisory Board Member (Wyoming DEQ), VFW Legislative Committee Member, State Commander VFW Wyoming, serves on Our Savior Lutheran Church Board of Education.

Skills & Experience

Nine and a half years of public sector experience, experience serving on volunteer boards.

Please explain your interest in serving on this Board/Committee/Commission

Cheyenne's strength lies in its people, and over the last four years, I've seen firsthand how our diverse community makes this city a truly special place to live. I am applying for this council because I believe that a great city is one where everyone, regardless of income, has a seat at the table. I am committed to supporting our low-to-moderate-income neighbors and am excited by the opportunity to work alongside the Housing and Community Development Office to strengthen the programs that keep our community vibrant and inclusive

Education/Degrees	AS in occ health, BS in health science and advanced patient care, MS in psychology and forensic psychology

Please explain your interest in serving on this Board/Committee/Commission

I am deeply invested in preserving the historic character and cultural identity of our community. As a homeowner of a property recognized for historic preservation, I have firsthand experience with both the responsibility and the reward of maintaining historic integrity while ensuring a home remains functional and lived in.

My professional background in policy and systems work, combined with my experience in community advocacy and public service, has strengthened my ability to approach complex issues thoughtfully and collaboratively. I am especially interested in supporting practical, accessible preservation efforts that balance historical significance with the realities homeowners and property owners face.

Serving on this board is an opportunity to contribute to thoughtful stewardship of our shared history while helping guide decisions

that impact the long-term character of our community.

Other City or community volunteer experience

I have served in multiple community-focused roles, including board and committee work, public service through the District Attorney's Office as a victim advocate, and ongoing involvement in local initiatives and events. I currently serve as President of the Victim Services Board of Laramie County and as a board member for the Wyoming Lawyers Assistance Program (WyLAP) Foundation. In these roles, I collaborate with multidisciplinary partners, support program development, and contribute to policy and systems-level discussions that impact community wellbeing. Additionally, I have long-standing involvement with community events and volunteer committees, including over 15 years with Cheyenne Frontier Days in a public relations capacity.

Skills & Experience

- Policy analysis and systems-level thinking
- Experience navigating regulatory and compliance environments
- Strong communication and stakeholder engagement skills
- Background in public service, advocacy, and community collaboration
- Experience serving on boards and committees in leadership roles
- Ability to balance preservation priorities with practical implementation considerations
- Trauma-informed, community-centered approach to decision-making
