PUBLIC HEARING regarding a Subdivision Permit and Plat for Pee-Wee Ponderosa Subdivision, located in a portion of the NW1/4 of Section 29, T15N, R63W of the 6th P.M., Laramie County, WY.

**25 - 046**

**Attachments:** [PZ-24-00106 LCPC STAFF REPORT PKG 1.23.25](#)

Bryce Hamilton, Associate Planner, reported that Steil Surveying, on behalf of Mary Lee Sutherland, submitted a Subdivision Permit and Plat application to plat an 80-acre parcel located in the NW 1/4 of Section 29, T15N, R63W, Laramie County, WY. The parcel will be subdivided into four lots approximately 10-acres each and leave the remaining 40-acres unplatted.

The current use is vacant residential land and is situated in the LU Zone District. Tracts 1 and 2 will be accessed via a shared easement off Road 143 and Tracts 3 and 4 would do the same. The existing private access easement would continue to serve the remaining lot to the east as well as the neighbors to the south and east.

Agency comments are being addressed and the exhibit updated to reflect any changes. Staff recommends approval to the Laramie County Board of Commissioners with two conditions.

1. The plat is revised to make access spacing off Road 143 compliant with the LCLUR.
2. The plat is revised to move the ROW dedication to the north border rather than the south.

Vice Chairman Watkins opened the Public Hearing. Comments were heard from the following:

- \* Amy Lounsbury at 1671 Road 143 has concerns on water runoff and possible road damage.
- \* Casey Epler at 1856 Road 143 has concerns that the existing culverts will not be able to handle the additional runoff and impede the improvements being made to Lodgepole Creek.
- \* Brad Waufle at 1683 Road 143 wants to know what the impacts will be to the existing road and make needed improvements to the private easements and that the new roads would be designed by an engineer.

Shane Hansen, agent for the applicant, responded to questions from the Commission regarding additional culverts added to the road design and drainage concerns from neighbors.

Hearing no further comments the meeting was closed and a motion and discussion called for.

Jack Stadel moved, seconded by Johnny J. Tafoya, II moved to adopt findings of fact a, b, and c of the staff report and to recommend approval of the Subdivision Permit and Plat for Pee-Wee Ponderosa Subdivision with the two conditions outlined in the staff report. Vote 4-0.

**Aye:** Stadel, Watkins, Gaspar, Tafoya II

**Absent:** Caughey
